ANNUAL REPORT

“Oceans of Opportunity”

## GOLDEN WEST COLLEGE FOUNDATION

The Golden West College Foundation was organized in 1985 to solicit and manage gifts to benefit the college and its students. The Foundation is dedicated to supporting the College's mission of providing comprehensive academic opportunities to the community for lifelong learning.

A board of directors, who provides the leadership and direction for the organization's operation, manages the Foundation. The Foundation has grown steadily since 1985 with assets over \$1,900,000. This has been accomplished through donations of cash, bequests and grants from individuals and businesses. The Foundation has provided over \$2,200,000 in scholarships to Golden West College students. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in gifts in-kind.

The primary focus of the Foundation Board of Directors is working toward building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, the Foundation provides staff support and direction to three auxiliaries. Each auxiliary is managed by its own board and officers, requiring membership dues for operational expenses.

## REPORT FROM THE FOUNDATION CHAIRMAN ROBERT POLENTZ

The Golden West Foundation again participated in the Scholarship and Awards Ceremony held in May by awarding scholarships to over 200 students. Since 1986, the Foundation has awarded over \$2,200,000 to deserving students. This has been extremely gratifying to the Foundation and its members as the awarding of scholarships is a direct contributor to the enhancement of student success while at Golden West College.

On Saturday March 13, the Foundation held its seventh annual major successful fundraiser, the "Golden West College Gala." We are happy to report that we raised approximately \$136,000-- a new record. The proceeds funded the Foundation's Wish List Program and the Foundation's Endowed Scholarships. We particularly want to thank Toyota Motor Sales, U.S.A., Inc., Elmore Toyota and Union Bank of California as major sponsors and all the other underwriters who gave so generously to this event. A particular debt of gratitude goes out to the hard working Gala Committee members, committee chairs, Judy Elmore and Harold Pazanti, and those members of the Foundation who gave their time and energies to the Gala preparation. We would also like to extend our sincere thanks to the community at large for continuing to support this very important event for the College. We look forward to our eighth Gala scheduled for March 12, which we hope will be bigger and better than ever.

Our annual Courtyard of Honor Ceremony was celebrated last October. We had four Pillars of Support (+\$25,000) including The Dorothy Beatrice Duthie Pillar; Elmore Toyota Pillar; Bonnie Chanine Robinson Pillar, and the Union Bank of California Pillar. The donor wall was increased by 50 donor names, with three in the Golden Society (\$10,000+) category. Five outstanding GWC alumni were honored as Alumni Pillar of Achievement recipients. Since the inception of this awards program in 1991, sixty six alumni have been honored.

As we look to 2005, we want to express our collective gratitude for the continued participation and leadership of the Foundation Board members. Their continued commitment and participation is critical to the overall success of the Foundation's mission and enables the Foundation to continue to provide the College with a source for ideas and for funding. As one of our objectives for 2005, we look to expanding Board membership and to continuing a high level of participation from our members. We will also be seeking fresh ideas for new fund raising opportunities and expansion of existing programs.

This year has continued to be relatively challenging from an investment perspective, although the market has moved in a positive direction over the last several months. Because of the relative uncertainty in the market, we have moved cautiously with our market participation. Under the guidance of the Investment Committee and its chairman, Doug Fabian, we will continue to exercise prudence in our efforts to increase the value of the portfolio. I would like to take the opportunity to thank Fabian Investment Resources and Spectrum Asset Management for their continued support and guidance on a volunteer basis.

It is with mixed feelings that we bid a fond farewell to College President Dr. Ken Yglesias who was selected as the Coast Community College District Chancellor. Ken has been extremely supportive throughout his tenure as President, and we wish him continued success in his important new role. We appreciate Interim President Sharon Donoff's support in the transition during the Presidential search process. It is with great pleasure that we welcome Wes Bryan to the President's position and to Foundation membership. We look forward to many years working with Wes to develop new initiatives and continue existing successful programs to further support student success.

In closing, I would like to personally thank the Foundation Board of Directors and those who have provided advice, counsel, professional guidance, financial support and personal time to the Board during the past year. It is not often that I have had the unique opportunity to work with such a dedicated group, and I look forward to the upcoming year in which we will work as a team towards the goal of enhancing student success at Golden West College.

## REPORT FROM THE GOLDEN WEST COLLEGE INTERIM PRESIDENT SHARON DONOFF

Every so often, most colleges experience times of transitions. While change is not always easy, it is critical to the growth and advancement of the institution. 2004 has been a period of transition for Golden West College.

First, the physical plant and facilities are changing. As a result of the passage of Measure C, a general obligation bond measure, Golden West College received \$96 million. Numerous projects began in 2004 including renovation of the Student Center, an upgrade of the information technology infrastructure, a resurfacing and repair of the athletic track, and restructuring and renovating of several classrooms into a comprehensive Student Success Center. Plans are underway for design of a new Learning Resources Center and a new Health Sciences building. The fences and construction zones are becoming more visible and speak to new construction, modernization, and general campus improvements.

Secondly, the personnel are changing. The Coast Community College District offered a retirement incentive for faculty and staff that resulted in the retirement of 18 faculty and 10 classified support staff who left the college in December 2004. Many of these people served the college 25 or more years and took their talent, expertise, and history of the college with them. Over the years, most of these people will be replaced. In fact, this spring 11 new faculty will be hired for the upcoming academic year. They will help shape the future of GWC by bringing new ideas and perspectives to the college.

Thirdly, the difficult financial status of the State of California continues to affect the college and our students. The enrollment fee was increased this year to \$26 and will probably continue to rise over the next couple of years. Golden West College, like many of our sister institutions throughout the state, was also forced to reduce the number of class sections offered to our students. I am happy to report that during 2004 the college was able to increase the sections available. With some creative scheduling and pilot programs, we anticipate meeting both base and 2% growth projections.

The state's fiscal problems substantiate the need for independent sources of income to the college. This is one of the very important ways in which the Foundation assists the college. After serving on the Foundation Board for the past six months, I firmly believe that the Foundation is ready to move up a step in the type of gifts it seeks and receives. It is encouraging to see that the board supported the proposal to pursue Planned Giving and also to support the pilot project of seeking Major Gifts. The college values the Foundation, and, to that end, increased the secretarial support to the Foundation from 25 to 40 hours per week and the graphic artist's assignment from 50 to 100%.

Lastly, GWC has seen a transition in leadership in 2004. Two new Vice Presidents were appointed: Dr. Monte Perez, Vice President of Student Services and Janet Houlihan, Vice President of Administrative Services. Dr. Ken Yglesias, the President since 1996, was promoted to Chancellor of the Coast Community College District in July, 2004. I came out of retirement and served as Interim President through December. Wes Bryan, former Vice President of Instruction and a longtime leader on the campus, assumed the position of President January 1, 2005.

Golden West is anticipating exciting times! Its future is bright and is in good hands. With the support of the members of the Foundation Board, the Patrons Auxiliary, and the excellent faculty and staff, watch for the college to reach new heights in innovation and commitment to students.

Pillars of Support

**The Dorothy Beatrice Duthie Pillar**

Golden West College honors Dorothy Beatrice Duthie, who has profoundly enriched the lives of so many—family, friends, former colleagues, and students. She funds a scholarship in gratitude for the financial aid and confidence extended to her when she was en route to a second career that started at Long Beach City College. She then transferred to California State University, Long Beach, earning a bachelor’s degree and secondary teaching credential. Pictured is Christina Duthie, Dorothy’s daughter.

**The Elmore Toyota**

A Partnership Driven By The Power To Excel. Serving communities since 1966, Elmore Toyota is a proud sponsor of Golden West College and Coast Community College District. As a major college supporter, Elmore Toyota is committed to investing in higher education. Elmore Toyota believes that investing in the community today is yielding better futures. Left to right: Judy Elmore, President of Elmore Toyota and Marc Kelso, General Manager, Elmore Hyundai.

**The Bonnie Chanine Robinson Pillar**

“Bonnie Chanine Robinson loved teaching in the classroom and was dedicated to improving the lives of her students,” retired dean John Wordes said. Bonnie was a charter faculty member. She retired in 1993 as a professor of English. She earned a bachelor’s degree from the University of Colorado and a master’s degree from California State University, Fullerton. The pillar is dedicated in memory of Bonnie by Radford, her loving husband of 45 years.

**The Union Bank of California Pillar**

Union Bank of California offers Golden West College the latest technology to enhance its students’ educational experiences. Their high degree of expertise is a study in convenience with cash management online which provides electronic financial aid disbursements to speed payments. Their future is influenced by a commitment to invest time and resources in customers, shareholders, employees, and communities. Left to right: Tito D. # GOLDEN WEST COLLEGE FOUNDATION GIFT GIVING OPPORTUNITIES

Contributions to the Foundation are tax deductible, and there are a variety of options to consider when making a gift:

**Gift Annuities** — The most popular way to make an irrevocable deferred gift to charity today is a gift annuity which is now available for the first time through the Foundation at Golden West College. Gift annuities are popular because of their simplicity and the fact that they offer guaranteed income for life in exchange for a charitable gift.

*If you are interested in this type of gift opportunity, please call Jon Schendel, the Foundation's Gift Planning Director at (949) 278-4695 or e-mail [jonschendel@cox.net](mailto:jonschendel@cox.net).*

**Annual Fund** — Cash contributions to the Foundation's annual fund are a critical source of private support for the college. Annual fund donations finance the scholarship program and other endeavors that strengthen the college but are not funded by the state.

**Memorial Gifts** — Gifts in memory of loved ones and deceased friends — or gifts which honor living individuals — are gratefully accepted by the Foundation.

Such contributions are often used to reflect the interests or talents of the person being honored. The Foundation is pleased to help potential donors explore appropriate uses for memorial gifts.

**Bequests** — A bequest designates a gift to the college in the donor's will. Many alumni and friends have made a provision in their wills for Golden West College Foundation as a beneficiary.

**Life Insurance Policies** — The Golden West College Foundation may be named a beneficiary. Donation of a life insurance policy to the Foundation entitles the donor to a tax deduction for the cash surrender value.

**Gifts in Kind** — Donations of personal property, including vehicles, equipment and supplies, are gratefully accepted by the Golden West College Foundation. Please inquire with the Foundation about specific items being considered as gifts to the college.

For further information about supporting the Golden West College Foundation, please call (714) 895-8316.
