# Annual Report

**2004-05**

## The Golden West College Foundation

The Golden West College Foundation was organized in 1985 to solicit and manage gifts to benefit the college and its students. The Foundation is dedicated to supporting the College's mission of providing comprehensive academic opportunities to the community for lifelong learning.

A board of directors, who provides the leadership and direction for the organization's operation, manages the Foundation. The Foundation has grown steadily since 1985 with assets over \$1,900,000. This has been accomplished through donations of cash, bequests and grants from individuals and businesses. The Foundation has provided over \$2,200,000 in scholarships to Golden West College students. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in gifts in-kind.

The primary focus of the Foundation Board of Directors is working toward building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, the Foundation provides staff support and direction to three auxiliaries. Each auxiliary is managed by its own board and officers, requiring membership dues for operational expenses.

## Report from the Foundation Chairman Bob Polentz

*The Golden West Foundation again participated in the Scholarship and Awards Ceremony held in May by awarding scholarships to over 200 students. Since 1989, the Foundation has awarded over \$2,200,000 to deserving students. This has been extremely gratifying to the Foundation as the awarding of scholarships is a direct contributor to the enhancement of student success at Golden West College.*

*On Saturday, March 12, the Foundation held its eighth annual major successful fundraiser, the "Golden West College Gala." We are happy to report that we raised approximately \$142,000—a new record. The proceeds funded the Foundation's Wish List Program and the Foundation's Endowed Scholarships. We particularly want to thank Toyota Motor Sales, U.S.A., Inc., Elmore Toyota and Union Bank of California as major sponsors and all the other underwriters who gave so generously to this event. We would like to extend our sincere thanks to the Gala Committee and its co-chairs Emilee Young and Charla Kabana as well as the community at large for continuing to support this very important event for the college. We look forward to continued success at our ninth Gala scheduled for March 25, 2006.*

*Our 14th Annual Courtyard of Honor Ceremony was celebrated last October. We had four Pillars of Support (\$25,000+) including the Brunilda "Bruni" L. Cronk Pillar, Rita Simonton Pillar, St. Joseph Hospital Pillar and the Waltmar Foundation Pillar. The donor wall was increased by 50 donor names, with five in the Golden Society (\$10,000+) category. Four outstanding GWC alumni were honored as Alumni Pillar of Achievement recipients. Since the inception of this awards program in 1991, 70 alumni have been honored.*

*As we look to 2006, we want to express our collective gratitude for the continued participation and leadership of the Foundation Board members whose continued commitment and participation is critical to the overall success of the Foundation's mission. The Foundation's objectives for 2006 include expanding Board membership and continuing a high level of participation from our members while seeking fresh ideas for new fund raising opportunities and expansion of existing programs.*

*This year has continued to be relatively challenging from an investment perspective with the market basically performing in a relatively narrow range. Under the guidance of the Investment Committee and its chairman, Doug Fabian, we have exercised a high degree of conservatism relative to our investments during the past year and will continue to exercise prudence in our efforts to increase the value of the portfolio. I would like to take the opportunity to thank Fabian Investment Resources and Spectrum Asset Management for their continued support and guidance on a volunteer basis.*

*In January it was a great pleasure that we welcomed Wes Bryan as Golden West College's new President to the Foundation membership. We look forward to many years working with Wes to develop new initiatives and continue existing successful programs.*

*In closing, I would like to personally thank the Foundation Board of Directors and those who have provided advice, counsel, professional guidance, financial support and personal time to the Board during the past year. It is not often that I have had the unique opportunity to work with such a dedicated group, and I look forward to the upcoming year in which we will work as a team towards the goal of enhancing student success at Golden West College.*

# Message from Golden West College President, Wes Bryan

*Golden West is preparing to celebrate 40 years of service to our community in September 2006. Forty years of class offerings, registration lines, graduation, and giving students chances to return to school for continuing education and professional improvement.*

*In preparation for this celebration, we will compile an impressive set of statistics and recount many of our fine accomplishments. Looking back to our past will be fun; however, this report focuses more on the future than the past. After all, a Foundation that spends over a quarter of a million dollars per year of its bequests on student scholarships is really about building futures.*

*I wish you could have been with me as I listened to the stories of five or six students who have benefited from the help you so generously provided. It was so very important for them to have the opportunity to come back to college, even with young children in tow, because they understood that a degree or certificate will make a significant difference in their lives.*

*I am proud to be associated with a Foundation Board that understands the importance of educational opportunities and donates their time and energy to help expand them for students in need. This is why I have made it a high priority to aid in the expansion of our Foundation Board and increase our donors and scholarships.*

*I hope as you review this report you will consider involving yourself to a greater degree in the projects that our campus community sponsors. Without your support, the college could not begin to offer the scholarships and programs which provide our students with so many avenues to success. I am excited to be on this Board as we make plans together to ensure that the next 40 years will be as bright as the last.*

## GWC is "Thawing Out"

After several years of severe budget cutbacks and hiring freezes, GWC is back in motion. Funds have been allocated to fill over 45 essential faculty, staff, and administrative positions for the fall semester alone. As long-time faculty and staff retire

in record numbers, this infusion of new faces and energy will allow GWC to continue its tradition of quality instruction and excellence in service for students in order to meet and exceed the challenges ahead.

# What's New at GWC?

## New Student Center

The newly renovated Student Center has transformed with vivid colors and a range of textures in furnishings and surface treatments. This space is user friendly for students, faculty, and staff with many updated features such as: dropped lighting, mobile furniture, study booths, flat screen TV, sofas, and an elevated stage area.

This center provides not only a comfortable eating and studying environment, but it also caters to the relief of stress with its new separate game room. This room is complete with two pool tables and the latest and greatest in video games.

There is also a new information booth inside the center. Manned by students for students, the attendants are able to provide answers to questions regarding campus activities as well as general GWC information. Also available is a six station, completely wireless internet café within the main room.

## Image is Everything

In Summer 2004, Golden West College's president formed an Image Committee to update the college identity. The committee was to assess the logo, school colors, slogan, college seal, school mascot and even the school name.

The committee was formed by an open invitation to the campus. All existing committees on campus were visited to invite members to join the Image Committee.

The goal was to have a new identity package completed by GWC's 40th Anniversary in September, 2006.

The Image Committee consists of 35 members including faculty, classified staff, students, managers, administrators, retirees, district employees and marketing professionals invited from the community.

After many designs and discussions, the committee agreed on a surfboard shape for its symbol/icon. The GWC design on the surfboard gives it a collegiate look.

During the same time period, Huntington Beach trademarked the name Surf City, USA. This gave further justification that the chosen surfboard shape was the best symbol for GWC to make a direct association to Surf City.

The new surfboard logo was presented to the committees on campus for further input. After all the presentations were finished, the new surfboard logo, with the updated sea green and sunny yellow colors, was approved September 21, 2005 by the campus-wide Planning & Budget Committee, and then by GWC President, Wes Bryan.

### New College Seal

It was the consensus of the committee to design a new college seal. The seal is used where a formal look is desired: certificates, formal announcements and correspondence, resolutions, diplomas, etc. The final design comprises the same typeface as the new logo, a laurel leaf — symbolizing achievement, the year GWC was founded, and GWC's first slogan — *Let Change Be The Tradition*. Its round shape symbolizes perfection.

## 8 Galas and Over \$695,000 Later...

On March 15, 2005 the Foundation hosted its 8th annual Gala fundraiser at the Hilton Waterfront Beach Resort. Thanks to overwhelming support, this Gala became the Foundation's most successful event to date, grossing \$190,480. Once expenses of \$48,645 were deducted, this event made it

possible to bring in \$141,835 for campus needs. These funds were used to fund the newly established STAR book reserve program, student scholarships, special projects, and an annual "Wish List" program. Since 1998, the Gala has netted over \$695,000.

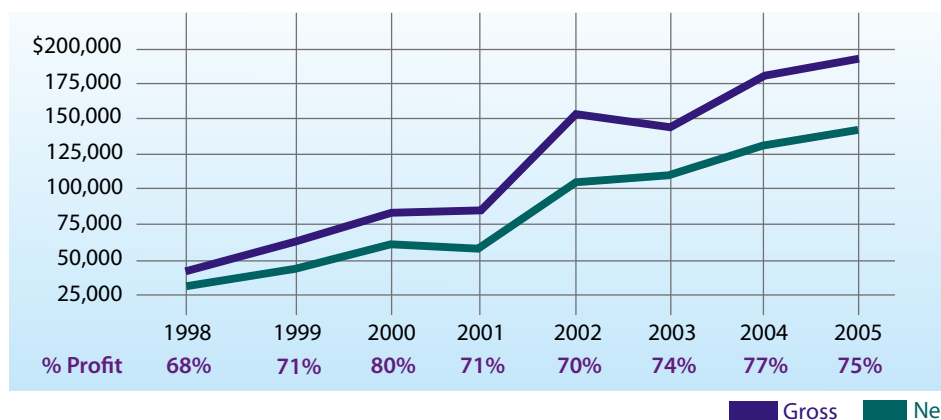

The wide variety of unique live auction items and silent auction items obtained by Knock Out Productions brought in a record \$60,855. Wayne Foster Entertainment's, "Mustang Sally" kicked off a night of dancing, fine food, great company, and a whole lot of FUN.

# Elmore Toyota Donates a 2005 Matrix

The GWC Foundation would like to extend a very special thank you to Elmore Toyota for their support of the 8th annual Gala event. Elmore Toyota significantly aided in the success of this year's event by becoming a \$10,000 Marquee Sponsor, and generously donating a 2005 Toyota Matrix for an

opportunity drawing. The Foundation sold 200 opportunity drawing tickets at \$100 each, bringing in \$20,000. The drawing took place as a ramp up to the live auction, filling the room with excitement and anticipation for what the evening had in store for its attendees.

Judy Elmore, President, Elmore Toyota and Golden West College Foundation President, turning over the Matrix to Opportunity Drawing winners Lisa Morales and Leeanne Hill, GWC classified employees.

## Dodging Bullets with Technology

How do you train law enforcement for open fire scenarios without putting them in the danger of live open-fire? This question was answered with the purchase of a Simunition Conversion Kit, an example of an item that wouldn't otherwise be funded without the Wish List program.

Simunition is the technology that combines simulation with ammunition. This provides for the training of real life, close-range engagement of firearms.

"The beauty about this kind of training is that it is so realistic," states Ron Lowenberg, director of the Criminal Justice Training Center.

These training tools put officers in "live action," where you can potentially feel the sting of an assailant's bullet, have realistic recoil, and even smell the gun powder. This technology focuses on training to control adrenaline and assess the situation appropriately, enabling officers to react realistically.

This Wish List item will make it possible for the GWC Criminal Justice (CJTC) program to train over 300 SWAT and recruit officers per year. Offering two programs for regular duty officers and two programs for limited duty officers, the CJTC has the potential to disperse approximately 120 officers into the line of duty each year.

## Nursing Program will Receive over \$7 Million

Golden West College is one of seven California community colleges awarded a \$7,132,743 grant from the California Community College Chancellor's Office. This grant is part of Governor Schwarzenegger's \$90 million initiative to solve the nursing shortage in the state of California. "The timing of this grant couldn't have been better," says Sally Morgan, director of the Nursing Dept. With over 1,200

students on waiting lists to enter the nursing programs in four Orange County community colleges, GWC has taken on the responsibility of offering a solution with the "Weekend Section." This program will increase enrollment by over 48 students per semester for five years, giving the opportunity to educate over 240 nurses and place them into the field.

GWC received over \$2 million from the initiative and was required to get at least a two to one match in order to be awarded the grant. Cash and in-kind commitments came from Hoag Hospital, St. Jude Medical Center, Moore Foundation, Fountain Valley Regional Hospital, Irvine Health Foundation, Dove Professional Apparel, Inc., Golden West College Foundation, and Golden West College.

*"It gives us the opportunity to improve on an already state of the art nursing program," says Wes Bryan, GWC President.*

# Football Program Scores \$10,000

## NuVision Becomes Exclusive Sponsor

NuVision Financial Federal Credit Union became the GWC Football program's exclusive sponsor with a donation of \$10,000. The department used these funds to purchase new uniforms for their players.

# GWC and DeLillo Chevrolet Team Up

In January, 2005, DeLillo Chevrolet matched funds with the GWC Athletic Department for \$15,000 to purchase a new, state of the art, electronic scoreboard.

The scoreboard arrived just in time for the dedication of GWC's baseball field to Coach Fred Hoover. This demonstrates GWC's interest in partnering with the community and businesses of Huntington Beach.

# Golden West College Foundation Gift Giving Opportunities

---

There are a variety of options to consider when making a gift:

## Gift Annuities

A Charitable Gift Annuity is an extraordinary way to make an irrevocable deferred donation, increase your income, and slice your tax bill — all in one transaction. Our Charitable Gift Annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives.

The Foundation has secured its first \$25,000 annuity with Carolyn Cunningham of Seal Beach, Leisure World. These funds will be allocated to the Nursing Department for unrestricted use.

*If interested in this type of gift opportunity, please call Margie Bunten, GWC Director of Public Relations and Institutional Advancement, at 714/895-8315 or email her at [mbunten@gwc.cccd.edu](mailto:mbunten@gwc.cccd.edu).*

*"I just like giving to charity and accomplishing  
the most good for everyone. It's good for me  
and others"*

— Carolyn Cunningham

## Annual Fund

Cash contributions to the Foundation's annual fund are a critical source of private support for the college. Annual fund donations finance the scholarship program and other endeavors that strengthen the college but are not funded by the state.

## Memorial Gifts

Gifts in memory of loved ones and deceased friends — or gifts which honor living individuals — are gratefully accepted by the Foundation.

Such contributions are often used to reflect the interests or talents of the person being honored. The Foundation is pleased to help potential donors explore appropriate uses for the memorial gifts.

# Golden West College Foundation Gift Giving Opportunities

## Life Insurance Policies

The Golden West College Foundation may be named a beneficiary. Donation of a life insurance policy to the Foundation entitles the donor to a tax deduction for the cash surrender value.

## Gifts In Kind

Donations of personal property, including vehicles, equipment and supplies, are gratefully accepted by the Golden West College Foundation. Please inquire with the Foundation Office about specific items being considered as gifts to the college.

## Bequests

A bequest designates a gift to the college in the donor's will. Many alumni and friends have made a provision in their wills for Golden West College Foundation as a beneficiary.

*"It is my privilege to give back to the college for my education, for enriching my life, and for giving me great friends and memories"*

## The Golden West College Patrons

Organized in April of 1973, the Golden West College Patrons is a volunteer organization that raises monies for student scholarships. The Patrons also put in hundreds of volunteer hours each year for the community as well as campus events. The Patrons hold one fashion show fundraiser per year to fund 16 student scholarships. This past October the Patrons Fashion Show netted approximately \$16,000.

Patrons, students, faculty, staff, administrators, and community members modeled at the 2005 *Cruising Into Fall* Fashion Show. This year's fundraiser was the most successful Patrons event to date.

## Hens & Chickens Quilt Auxiliary

The Hens and Chickens Quilt Auxiliary is a volunteer quilt fellowship organization. This group works hard each year to make one exquisite quilt for an opportunity drawing. The proceeds from this drawing are then used to aid in departmental needs that would not otherwise be funded. This past year the quilt's opportunity drawing netted \$1,681.32. These funds were disbursed to the Microbiology Lab for supplies,

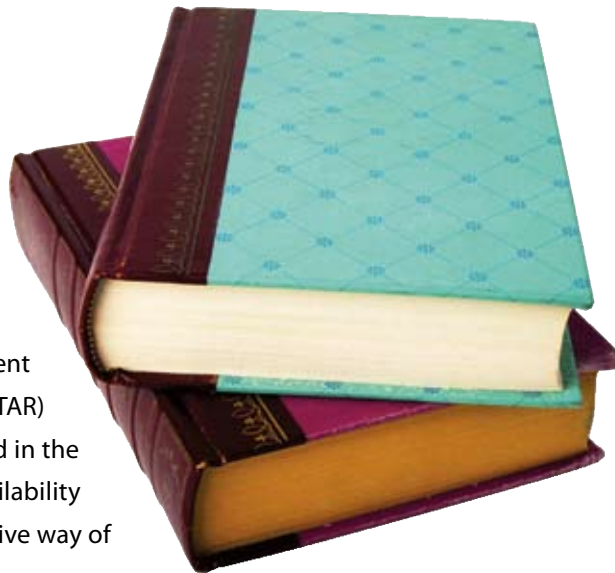

the Fine Arts department for a display rail, into the endowed Hens & Chickens Quilt Auxiliary scholarship, and unrestricted funds for the GWC Child Development Center.

The Hens and Chickens are planning to make a 40th Anniversary Quilt for the college in 2006.

# GWC Ensures Student Success Through the STAR Book Reserve Program

The Golden West College Foundation Board has taken on the responsibility to provide students with another tool for their success. The Student Textbook Assistance Reserve (STAR) Program has been implemented in the campus library to aid in the availability for students to have an alternative way of accessing class materials.

As textbook costs rise, the students are faced with the reality of determining their educational goal versus their budget. The reserve program is in place to ensure that students reach the goals they have set for themselves, as well as opens their eyes to campus-wide tools that are available for them to use.

The Foundation Board allocated \$20,000 to establish a book reserve program for students.

"I am so grateful to be able to offer these students such a great program," stated Cathy Siddiqui, GWC Librarian.

These funds have been used to purchase the top textbooks that will be used throughout the Fall and Spring semesters. The library has purchased 85 titles covering over 30 academic disciplines with 423 circulations which average 5 circulations per textbook.

*"There is nothing harder to watch than students having to drop their classes solely because they cannot afford to buy the books"*

## Pillars of Support

The first Pillars of Support were inducted at the inaugural Courtyard of Honor Ceremony in 1995. Since that time, GWC has honored 40 Pillars of Support with four of them inducted this past October. A Pillar represents \$25,000 or more in cash donations by either individuals or businesses. These gifts represent over \$1 million.

These endowed funds are designated to student success in a variety of areas such as student scholarships for Huntington Beach Police Department cadets in the Criminal Justice Program; scholarships that assist student nurses; scholarships in memoriam that allow the loved one to live on through the success of a student; and funds that build programs that train our students to be on the cutting edge when they transfer to a four year institution, or are hired into the workforce.

# Alumni Pillars of Achievement

The Alumni Pillar of Achievement program was initiated by the 25th Anniversary Committee in 1991. As a part of the 25th anniversary celebration, the first honorees were installed on September 12, 1991. This past October the Foundation inducted four new recipients bringing them to an overall total of 69 inductees since 1991. Each nomination is recommended to a campus committee from

# \$2,474,406 for Student Scholarships since 1986

Since 1986, the Golden West College Foundation has processed over \$2,474,406 for student scholarships. Each scholarship application involves a process of review and consideration by multiple scholarship committees choosing the recipients according to each scholarship's required criteria. These committees consist of donors, faculty, staff, and managers from a variety of academic disciplines on campus. In 2005, the Foundation funded 91 scholarships totaling \$260,400. These monies enabled 138 students to move forward in their educational goals.

*Tinh Nguyen received the prestigious R.Dudley Boyce Outstanding Student Award from Student Activities Director Valerie Venegas at the 2005 Scholarship & Awards Convocation.*

# Student Scholarships

*Bob Polentz, Foundation Chairman, awards the GWC Foundation Scholarship to Josephine Labib.*

*The Golden West College  
Foundation does not charge a  
management or administrative fee.  
The entire scholarship donation is  
given to the student.*

## Student Art Featured at the Scholarship & Awards Convocation Reception

The Opening of the Student Art Show in the GWC Fine Arts Gallery coincides every year with the Scholarship & Awards Convocation reception. It is the most popular show of the year featuring students' work from painting, sculpture, photography, and drawing classes as well as graphic design and digitally rendered art. This year, 14 scholarships were awarded to art students.

The Scholarship & Awards Convocation recognizes both the students who have been selected to receive awards and the donors who helped to provide them. The ceremony is held annually in the beautiful GWC amphitheater. The reception is a great opportunity for recipients to meet and thank their donors.
