The Golden West College Foundation

The Golden West College Foundation was organized in 1985 to solicit and manage gifts to benefit the college and its students. The Foundation is dedicated to supporting the College’s mission of providing comprehensive academic opportunities to the community for lifelong learning.

A board of directors, who provides the leadership and direction for the organization’s operation, manages the Foundation. The Foundation has grown steadily since 1985 with assets over \$2,000,000. This has been accomplished through donations of cash, bequests and grants from individuals and businesses. The Foundation has provided \$3,026,524 in scholarships to Golden West College students. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in gifts-in-kind.

The primary focus of the Foundation Board of Directors is working toward building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, the Foundation provides staff support and direction to two auxiliaries. Each auxiliary is managed by its own board and officers, requiring membership dues for operational expenses.

Report from the Foundation Chairman Bob Polentz

The Golden West Foundation again participated in the Scholarship and Awards Ceremony held in May by awarding scholarships to over 200 students. Since 1986, the Foundation has awarded over \$3,000,000 to deserving students. This has been extremely gratifying to the Foundation as the awarding of scholarships is a direct contributor to the enhancement of student success at Golden West College.

On Saturday April 19, the Foundation held its eleventh annual major successful fundraiser, the “Golden West College Gala.” We are happy to report that we raised approximately \$135,000. The proceeds will benefit Golden West College students and college programs. We particularly want to thank Elmore Toyota, Irvine Health Foundation, Toyota Motor Sales, U.S.A., Inc., and Union Bank of California as major sponsors and all the other underwriters who gave so generously to this event. We would like to extend our sincere thanks to the Gala Committee and its chair, Patricia Meredith, as well as the community at large for continuing to support this very important event for the college. We look forward to continued success at our twelfth Gala scheduled for March 21, 2009.

Our 17th Annual Courtyard of Honor Ceremony was celebrated last October. We had six Pillars of Support (+\$25,000) including the Jane Axel Memorial, The Edwards Lifesciences Fund, Harbor Beach Division #77 Scholarship Foundation, McBeth Foundation, Orange Coast Memorial Medical Center and The Pillar of Peace. The donor wall was increased by 72 donor names, with six in the Golden Society (\$10,000+) category. Three GWC alumni were honored as Alumni Pillar of Achievement recipients. Since the inception of this awards program in 1991, eighty one alumni have been honored.

Golden West College dedicated its first new building since the 1980’s in November, The Frank M. and Gertrude R. Doyle School of Nursing and Health Services. The building was dedicated in memory of Frank M. and Gertrude R. Doyle, founders of the Frank M. Doyle Foundation. The Frank M. Doyle Foundation donated a \$1 million endowment which will be used to support a legacy of professional health instruction and services, making a significant difference in the lives of Golden West College students by providing the opportunity to train on the newest technology and advances in health care. The Foundation would also like to recognize donors that gave gifts to name portions of this building. The Irvine Health Foundation—\$150,000; The McBeth Foundation —\$50,000; and The Associated Students of Golden West College—\$35,000.

As we look to 2009, we want to express our collective gratitude for the continued participation and leadership of the Foundation Board members whose continued commitment and participation is critical to the overall success of the Foundation’s mission. The Foundation’s objectives for 2009 include expanding Board membership and continuing a high level of participation from our members while seeking fresh ideas for new fund raising opportunities and expansion of existing programs.

This year has continued to be challenging from an investment perspective. HighMark Capital Management, our financial adviser, is doing a good job considering these challenging times.

In closing, I would like to personally thank the Foundation Board of Directors and those who have provided advice, counsel, professional guidance, financial support and personal time to the Board during the past year. It is not often that I have had the unique opportunity to work with such a dedicated group, and I look forward to the upcoming year in which we will work as a team towards the goal of enhancing student success at Golden West College.

Bob Polentz

Robert Polentz, Chairman
Golden West College Foundation

The Golden West College Foundation does not charge a management or administrative fee for scholarships. The entire scholarship donation is given to the student.

The reception following the ceremony provides a great opportunity for recipients to meet and thank their donors.

I would like to take this opportunity to thank the Foundation Board of Directors for their time and resources and our donors and community members for their generous support. Golden West College has a profound impact on the lives of our students, and the Foundation strives to support the vital resources that empower our students to realize their potential as individuals and as professionals in our community.

Thank you all for making student success a priority with your continuing support. I am privileged to work with such an enthusiastic, professional board and to represent Golden West College in the community.

Scholarships and Awards 2008

Since 1986, the Golden West College Foundation has processed \$3,320,500 for student scholarships. Each scholarship application involves a process of review by a scholarship committee who selects the recipients based upon individual scholarship criteria.

At the Scholarships and Awards Ceremony held in May, 217 scholarships were awarded to GWC students. In the 2007-08 academic year, a total of \$251,500 was awarded.

The Scholarship & Awards Convocation recognizes both the scholarship recipients and the donors who support them. The ceremony is held annually in the beautiful GWC Amphitheater.

Arlyn Lim was this year's recipient of the R.Dudley Boyce Outstanding Student Award, presented by GWC Student Activities Director Valerie Venegas.

The Frank M. and Gertrude R. Doyle School of Nursing & Health Services Dedication

The Frank M. Doyle Foundation donates \$1,000,000. On November 19,2008, Golden West College dedicated its spectacular new \$12.5 million Frank M. Gertrude R. Doyle School of Nursing and Health Services Building. The Frank M. Doyle Foundation provided \$1 million to the naming opportunity for the building. Dedicated in memory of Frank M. and Gertrude R. Doyle, this beautiful building will provide a legacy of progressive health instruction and services, ensuring a bright future for our health professionals. The Frank M. Doyle Foundation has made a significant difference in the lives of Golden West College students by providing the means to foster a learning environment built upon the newest technologies and advances in health care. Golden West College is privileged to be in partnership with this extraordinary philanthropic family. Over the last decade, the Doyle Foundation has provided the college \$50,000 in nursing grants, as well as \$312,000 in student scholarships.

The Irvine Health Foundation was recognized for their pledge of \$150,000 to the Golden West College Nursing Program.

The McBeth Foundation was recognized for their \$50,000 donation to the naming opportunity for the Frank M. and Gertrude R. Doyle School of Nursing lobby. A Pillar of Support has been established in their honor and their generous donation will provide much needed equipment and supplies, as well as a garden for health services students, staff and the campus community to contemplate, reflect and relax.

The Associated Students of GWC donates \$35,000 to the Health Services Center. The Associated Students of Golden West College 2008-09 Student Council members are proud to have their names forever engraved in the new Student Health Services lobby. At the Frank M. and Gertrude R. Doyle School of Nursing and Health Services Building dedication ceremony on November 19, 2008, ASGWC members presented the college president with a check for \$35,000 in support of the new, state of the art student health center. Their beautiful bronze plaque reads, "It is with great honor that the ASGWC supports Health Services at Golden West College through their monetary donation."

Patrick Doyle, Molly Glen & Maryreed Roberts by their parent's dedication plaque.

The Doyle 4-Leaf Clover graces the new building sign

ASGWC student council members present a \$35,000 check to GWC President Wes Bryan.

| Net cash provided by operating activities | | <u>\$ 433,936</u> |

A complete audit report is available in the Golden West College Foundation Office.

Gil Coerper
Public Service

In Service to Community and Nation. Graduating with an Associate in Arts degree from Golden West College in 1977 was merely a starting point for Gil Coerper. After serving in the Navy, he joined the California State Military Reserves, where he retired a Lt. Colonel. He served 39 years on the Huntington Beach Police Force, retiring in June 2002. Gil was elected to the Huntington Beach City Council in 2002 and again in 2006, becoming Mayor in 2007. The Boy Scouts of America awarded him an Award of Merit and, in March 2004, the Silver Beaver National Recognition Award, their highest award. Golden West College is proud to have been at the beginning of Gil Coerper’s remarkable and long-standing service to our community and our nation.

Patricia Meredith
Gerontology

Strength Through Caring. Patricia A. Meredith began attending Golden West College in 1970. After temporarily setting her education aside, she returned to school and completed her Associate in Arts degree. She earned her Bachelor of Science, Cum Laude, from Chapman University in 2007. Her work in the Health Systems Management at the Irvine Health Foundation has brought significant support to her position on the Golden West College Foundation Board of Directors. She has brought in \$150,000 in grants and scholarships to the GWC School of Nursing. From evening student, to working mom, honored graduate and caring philanthropist, Patricia embodies the meaning of success at Golden West College.

Alumni Pillars of Achievement

The Alumni Pillar of Achievement program was initiated by the 25th Anniversary Committee in 1991. As a part of this celebration, the first honorees were installed on September 12, 1991. This past October the Foundation inducted three new recipients, bringing the total number of inductees to 79. Candidates shall have completed at least 30 units at Golden West College ten years prior to their nomination and achieved notable recognition in their field of endeavor.

2008 Honored Alumni

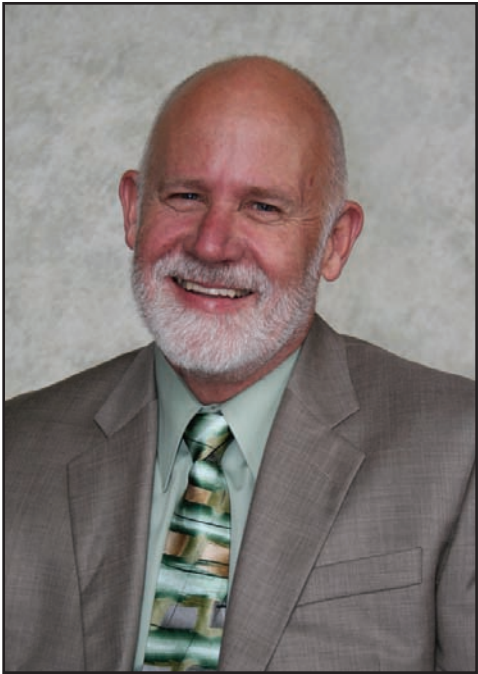

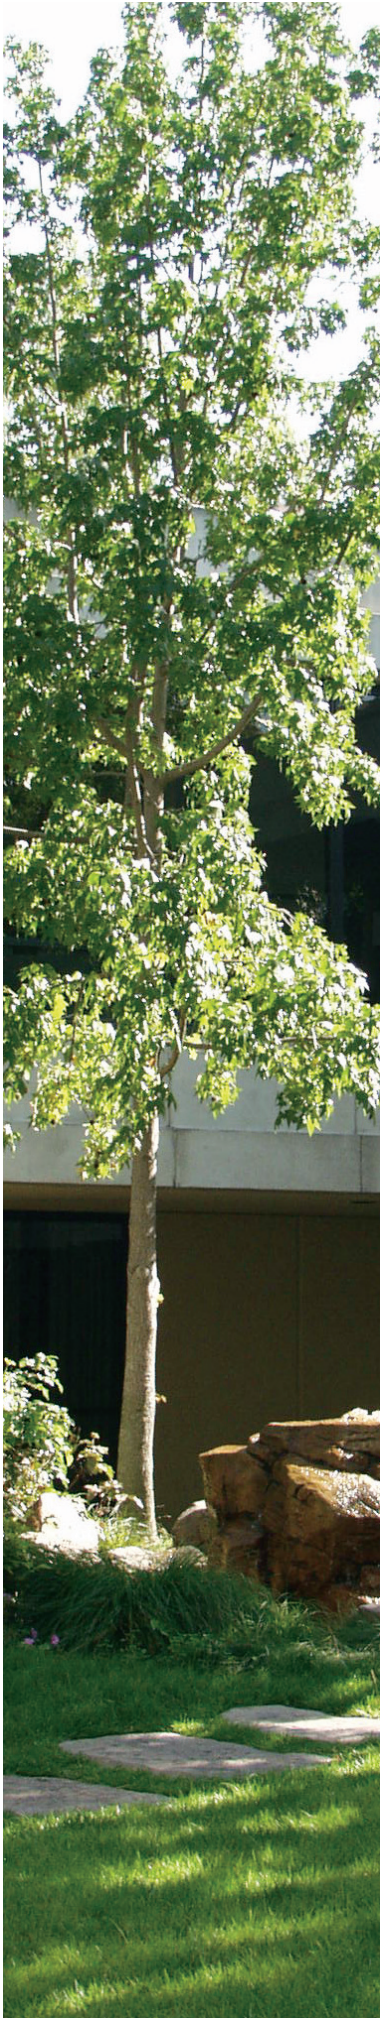

Shirley Babashoff
Swimming

Winning Style. With an amazing list of accomplishments in her field of endeavor — two Olympic Gold Medals, six Olympic Silver Medals, five World Champion Medals, 27 National Titles, 11 World Records and 29 American Records — it is clear that this Golden West College Alumna is an American treasure. In 2005, the Olympic Committee awarded Shirley the “Olympic Order,” an honor bestowed on individuals who have “Illustrated the Olympic ideals through actions, have achieved remarkable merit in the sporting world or have rendered outstanding services to the Olympic cause.” Shirley Babashoff is a world renowned American athlete that Golden West College is proud to claim as its own.

A complete audit report is available in the Golden West College Foundation Office.

Message from Golden West College President, Wes Bryan

What a bumpy year to write an annual report! It was a banner year for this Foundation at a time when the economy took a turn for the worse. This is a cyclical trend that California community colleges have experienced with more frequency than I care to recall. When the state economy takes a dip, enrollments at community colleges soar. Predictably, in a time of fiscal crisis people realize that we are at the heart of workforce development,

and that an educated populace has always been the strength of our economy. Quite often, when the state can't adequately address our financial needs, the private donor steps up to the plate to help Golden West College to provide students with scholarships, books, and the classroom with needed equipment and supplies.

Living in an affluent area, we sometimes forget how important these efforts are in making a significant difference in the lives of our students. We know that students who earn a vocational degree or certificate will see their wages jump from \$25,600 to \$47,571 in just three years. We also know they are more likely to be involved in community service, live healthier lives, and have greater job satisfaction. I am proud to be associated with a Foundation Board that understands the importance of educational opportunities, donates their time, and expends their energy to help students in need.

It is gratifying to know that our donors realize and understand the importance of supporting two-year institutions and their students to help prepare them for transfer or learn entry level job skills. They know that if they can help them get a strong start, students are more likely to finish their degree or certification. Community colleges play a central role in workforce and transfer preparation.

I hope as you review this report you will consider involving yourself to a greater degree in the projects that our campus community sponsors. Without your support, the college could not begin to offer the scholarships and programs which provide our students with so many avenues to success. I am excited to be on this Board as we make plans together to ensure that the next 40 years will be as bright as the last.

Wes Bryan

Courtyard of Honor

The 17th annual Courtyard of Honor ceremony was held on October 29. Three former GWC students received Alumni Pillar of Achievement recognition and six individuals or companies received a Pillar of Support.

Pillars of Support

The first Pillars of Support were inducted at the inaugural Courtyard of Honor Ceremony in 1995. Since that time, GWC has honored 51 Pillars of Support with six of them inducted this past October. A Pillar represents \$25,000 or more in cash donations by either individuals or businesses. These gifts represent over \$1 million.

Measure C
Bond Update

Frank M. and Gertrude R. Doyle School of
Nursing and Health Services Building

With a construction budget of \$12,000,000, construction is complete on the approximately 26,000 square foot building. The college is currently working on punch list items and landscaping. The third floor houses six flexible classrooms that can be reduced or expanded based on instructional need. The second floor houses the skills lab, a computer lab, and a human patient simulation lab. The first floor houses the Nursing faculty offices and the Health Services Center.

Learning Resource Center

Construction has just begun for the approximately 55,000 square foot building with a budget of \$24,000,000. The project is currently on time, on budget, and construction should be completed in June 2010. The new LRC, located at the main Golden West Street entrance, will house the Library, New Media/Online Instruction, Student Success Center, a high tech lab for the disabled, Writing Center, Staff Development, and Academic Senate.

Central Plant/HVAC Upgrades

The campus Central Plant is complete. The underground trenching was finished ahead of schedule. The campus is now working on completing Group 4 of 6 by renovating buildings to connect them to our new Central Plant. Modular classrooms have been used to better serve our students during this major undertaking. As the piping to the central plant is completed, classroom improvements are being made as well. The project budget is \$33,000,000, and it’s currently on time and on budget with completion in June, 2009.

Main Distribution Facility

A Main Distribution Facility is being created on the east side of the existing Library. This will house all of the campus servers and will provide temperature control and a backup generator to ensure our computer information is secure and backed up properly. This project should be complete by the end of this calendar year. The project budget is approximately \$700,000 and is on time and on budget.

Projects already completed

- International Student Center
- Pool and Locker Room Upgrades
- Student Center Renovation
- Student Success Center
- Concrete Repair Project
- Classroom Improvements

Hens & Chickens Quilt Auxiliary

*“Those who sleep under a quilt,
sleep under a blanket of love”*
~Unknown

The Hens & Chickens Quilt Fellowship of Golden West College, an auxiliary of the Foundation, began in 1989 when a group of quilters did not want to disband after having taken a quilting class at Golden West College. Their name, Hens & Chickens, was taken from the name of a quilt block. Originally a group of 5, they have been 25 members strong and range in age from 7 years old to 75.

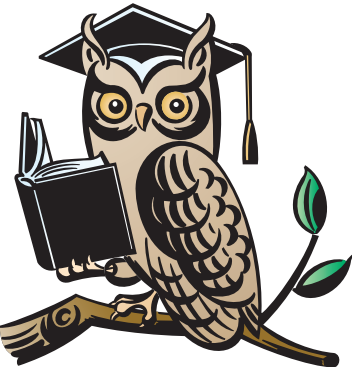

Each year, they make an opportunity quilt and donate the funds to GWC scholarships as well as contributions to the campus for such projects as theater renovations, ballet bars for the dance department, new library books, a Fine Arts Gallery security system, Science Museum animals and recently a brick entryway for the GWC California Native Plant Garden.

This year’s quilt is a “Split 9 Patch” pattern and was made large enough for a king-sized bed. The fabrics were from the Hoffman Fabric’s 2008 Challenge collection, which had an oriental theme. The quilt was assembled by all 12 members of the auxiliary in one meeting and was then quilted by one of the members on a long-arm quilting machine.

STAR Book Reserve Program Keeps Students Reading

For the fourth consecutive year, the Golden West College Foundation has allocated funds to the GWC Library for the purchase of textbooks under the STAR (Student Textbook Access Reserve Collection) Book Program. This program, which began in the 2004-2005 school year, gives students access to over 240 titles covering 45 academic departments. Last year, students checked out books from the STAR collection over 3,400 times, with the top title being Calculus: Single Variable, two years running. The STAR program has become a great success among students who wish to get a “jump start” on their studies and also to those students who cannot afford purchasing a full compliment of textbooks. Faculty are also participating by donating their own textbooks to the collection. This year the Foundation allocated \$10,000 to the STAR program, allowing the library to add over 220 titles to the collection.

Foundation Auxiliaries

The Golden West College Patrons

Organized in April 1973, the Golden West College Patrons membership is composed of alumni, community members and Golden West College staff and faculty. The Patrons is a volunteer organization which raises monies for student scholarships through their ***Chefs for Scholarships*** event held each fall. The members also volunteer hundreds of hours each year in support of other events such as Commencement Ceremony, Scholarships and Awards Ceremony, and Gala.

Chefs For Scholarships

The Patrons held their 3rd annual Chefs for Scholarships event on September 14, 2008 in the Student Center and Patio. Approximately 300 people attended this family-oriented event featuring musical entertainment, a bounce house for the kids, clowns, and the HB Fire Department. Guests sampled delicious food and beverages from local restaurants, wineries and breweries. The Patrons allocate \$7,200 from the proceeds each year to support their 16 annual student scholarships. They have been funding scholarships on campus since 1973 and have donated over \$100,000 to help students achieve their academic goals.

The following event sponsors contributed to the Patrons success!

Design Program
24 Basic Airbrushes and specialized airbrush equipment

11th Annual Gala

A Tropical Heat Wave at the Hilton

Dean Torrence of Jan and Dean and his Surf City Band, relaxed and in casual beach attire, provided the entertainment for the 11th Gala on Saturday, April 19, at the Hilton Waterfront Beach Resort. We were pleased to have them back for their third Gala. Although an elegant black tie affair, it sported a tropical flair with the beach setting and the stunning floral centerpieces. Over 350 guests enjoyed an evening of dining, dancing, and visiting with friends and colleagues; with the end result of generating assistance for students and programs. The Gala also makes wishes come true for many campus departments for much-needed items submitted to the “Wish List.”

Bob Polentz, Foundation Chairman,
Judy Elmore, Foundation President,
and Wes Bryan, President, Golden West College.

The Live and Silent Auctions brought in over \$53,000. The items ranged from original art, trips to Hawaii, and even a ride for two on the Goodyear Blimp ‘Spirit of America.’

“It was an honor to serve as Chairperson of the 11th annual GWC Gala and raising funds that will benefit students. On behalf of the Golden West College Foundation Board of Directors and Foundation staff, I want to thank all of our generous sponsors, donors, and guests for helping make this year’s Gala a successful event.” Patricia A. Life Insurance Policies

The Golden West College Foundation may be named a beneficiary. Donation of a life insurance policy to the Foundation entitles the donor to a tax deduction for the cash surrender value.

Gifts-In-Kind (Non-Cash Donations)

Donations of personal property, including vehicles, equipment and supplies, are gratefully accepted by the Golden West College Foundation. Please inquire with the Foundation Office about specific items being considered as gifts to the college.

Bequests

A bequest designates a gift to the college in the donor’s will. Many alumni and friends have made a provision in their wills for the Golden West College Foundation as a beneficiary.

“I researched many colleges on my quest to donate to a Nursing Scholarship. I chose the Golden West College Foundation because they were the only institution that did not charge a management fee.”

— Tom Swanson

Golden West College Foundation is a 501(c)(3).
Contributions to the Foundation are tax deductible.

Golden West College Foundation
Gift Giving Opportunities

There are a variety of options to consider when making a gift:

Gift Annuities

A Charitable Gift Annuity is an extraordinary way to make an irrevocable deferred donation, increase your income, and slice your tax bill — all in one transaction. Our Charitable Gift Annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives.

If interested in this type of gift opportunity, please call Margie Bunten, GWC Director, Foundation and Community Relations, at 714/895-8315 or e-mail her at mbunten@gwc.cccd.edu.

“Education is the soul of civilization, freeing us from intellectual and emotional limitation.”

~Glenda Blackburn, 2007
Former Executive Director, GWC Foundation

Annual Fund

Cash contributions to the Foundation’s annual fund are a critical source of private support for the college. Annual fund donations finance the scholarship program and other endeavors that strengthen the college.

Memorial Gifts

Gifts in memory of loved ones and deceased friends — or gifts which honor living individuals — are gratefully accepted by the Foundation.

Such contributions are often used to reflect the interests or talents of the person being honored. The Foundation is pleased to help potential donors explore appropriate uses for the memorial gifts.

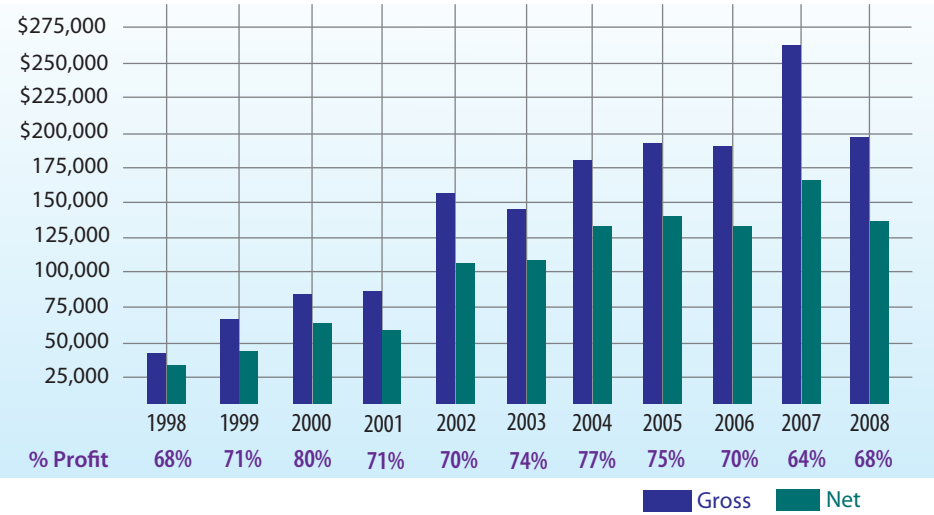

Elmore Toyota Donates
a 2008 FJ Cruiser

Special thanks to Elmore Toyota for donating the FJ Cruiser convertible (valued at \$41,206) for the opportunity drawing.

And the Winner is... Betty Carmain
Betty Carmain, a community member, was the happy winner of the FJ Cruiser Gala Opportunity Drawing. It was great timing for Betty – on February 5th, her car was totaled when she was struck by a car that ran a red light. Betty picked up her car at Elmore Toyota and posed for a photo next to David McHowell, General Manager, and Judy Elmore, President

UNITED WE STAND
Building Dreams Together ...

was the entry that won Golden West College, partner with the Boys & Girls Clubs of Huntington Valley, the Sweepstakes Award in the Huntington Beach 4th of July Parade. With the Master Blaster confetti machine in high gear, the float rocked up Main Street to great patriotic music of the Jon Kubis Band with the G-Dub, the 1971 VW Bus Outreach vehicle, in the lead.

The Boys and Girls Clubs of Huntington Valley and Golden West College have formed a unique partnership, to be the first in the state to house a youth facility on a college campus.

The 30,000-square-foot facility will be home to a new child development center, school-age youth club and a gymnasium and is expected to be completed in summer or fall 2009.

Construction will be done in phases and will begin with the child development center, which will have eight classrooms, office space for staff and a resource center. The gymnasium and a school-age facility with education, activity and technology centers will be completed late 2010 or early 2011.

The club currently has an operating Child Development Center on the Golden West College campus that serves about 85 children in an infant care/toddler program. The club has been searching for a larger facility for years, one that would allow it to increase its programs and serve more families in northern Huntington Beach.

Human Puzzle

The Anatomy students of Golden West College are fortunate to have one of the world’s most amazing puzzles –a disarticulated human skull. Divided into 14 pieces, the disarticulated, or separated, skull can be dismantled and reconstructed over and over again. Students are required to identify each piece (in Latin!) and reconstruct the skull perfectly for a passing grade in Anatomy, all the while singing the Anatomy class theme song, “I fall to pieces...”

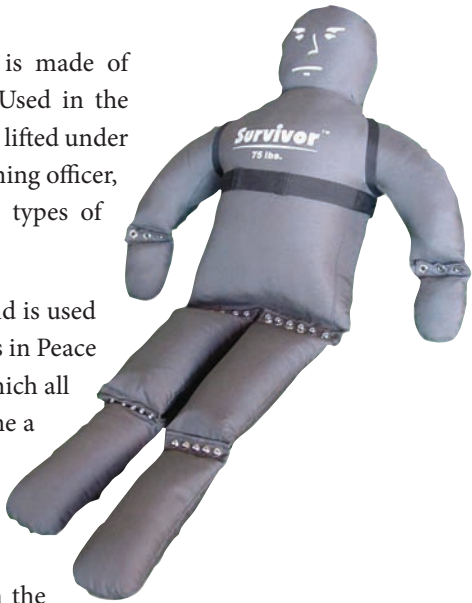

They Wished for a Dummie

The Golden West College Criminal Justice Training Center needed a dummie, and the Foundation provided one. “Survivor” is a unique agility training dummie designed to simulate an unconscious victim and assist in creating a realistic unconscious victim rescue.

The dummie weighs in at 165 pounds and is made of durable, heavy duty Kevlar filled with sand. Used in the Regular Basic Police Courses, “Survivor” can be lifted under his arms, or carried over the shoulders of a training officer, and has realistic features that aid in various types of rescue techniques.

“Survivor” is also known as a drag dummie and is used in one of the five mandated physical agility tests in Peace Officer Standards and Training (P.O.S.T.), in which all police recruits must show proficiency to become a Peace Officer in the State of California.

The Golden West College Foundation is proud to support the Criminal Justice Training Program, who requested the dummie through the Foundation’s annual Wish List program.
