## The Golden West College Foundation

The Golden West College Foundation was organized in 1985 to solicit and manage gifts to benefit the college and its students. The Foundation is dedicated to supporting the College's mission of providing comprehensive academic opportunities to the community for lifelong learning.

A board of directors, who provides the leadership and direction for the organization's operation, manages the Foundation. The Foundation has grown steadily since 1985 with assets over \$4,600,000. This has been accomplished through donations of cash, bequests and grants from individuals and businesses. The Foundation has provided \$3,354,500 in scholarships to Golden West College students. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in non-monetary gifts.

The primary focus of the Foundation Board of Directors is to work towards building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, the Foundation provides staff support and direction to two auxiliaries. Each auxiliary is managed by its own board and officers, requiring membership dues for operational expenses.

# Report from the Foundation Chairman

## Bob Polentz

The Golden West Foundation again participated in the Scholarship and Awards Ceremony held in May by awarding scholarships to over 200 students. Since 1986, the Foundation has awarded over \$3,000,000 to deserving students. This has been extremely gratifying to the Foundation as the awarding of scholarships is a direct contributor to our primary goal of student success at Golden West College.

On Saturday March 20, 2009, the Foundation held its 12th annual major successful fundraiser, the "Golden West College Gala." We are extremely happy to have raised a record \$205,006, especially during some of the worst economic conditions in the last 75 years. This performance speaks volumes to the dedication and commitment of our Board Members and supporters. The proceeds will benefit Golden West College students and college programs. We particularly want to thank Elmore Toyota, Irvine Health Foundation, Toyota Motor Sales, U.S.A., Inc., and Union Bank of California as major sponsors and all the other underwriters who gave so generously to this event. We would like to extend our sincere thanks to the Gala Committee and its chair, Patricia Meredith, as well as the community at large for continuing to support this very important event for the college. We look forward to continued success at our 13th Gala scheduled for March 13, 2010.

Our 18th Annual Courtyard of Honor Ceremony was celebrated last October. Four GWC alumni were honored as Alumni Pillar of Achievement recipients. Since the inception of this awards program in 1991, 83 alumni have been honored. We had five Pillars of Support (+\$25,000) including The Axel Family Pillar, The William and Joanne Bumm Family Pillar, The Judy Elmore Pillar, the Dawn McKahan Pillar, and The Susan and Robert Polentz Pillar. The donor wall was increased by 86 donor names, with five in the Golden Society (\$10,000+) category.

As we look to 2010, we want to express our collective gratitude for the continued participation and leadership of the Foundation Board members whose commitment and participation is critical to the overall success of the Foundation's mission. We would also like to extend our sincere appreciation to the community at large that has continued to support the Foundation and the college with its generosity and support. Without this dedication, our work would not be possible. The Foundation's objectives for 2010 include increasing the Board's role in fostering student success, expanding Board membership, continuing a high level of participation from our members, initiating a new fund raising activity and sponsoring another successful Gala while continuing to seek fresh ideas for new fund raising opportunities and expansion of existing programs.

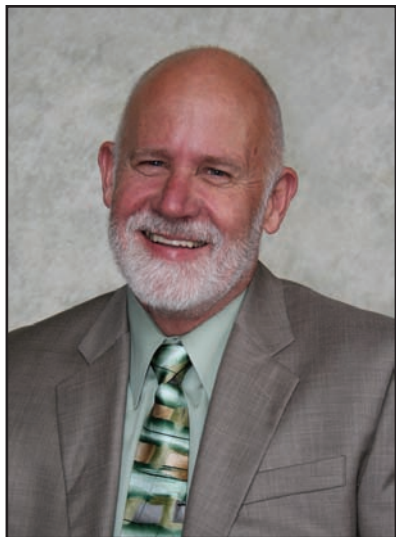

This year began with a tremendous challenge from an investment perspective. Our asset allocation methodology has rewarded us with a significant improvement in our overall financial position and while we have not fully recovered the unrealized losses incurred in the last quarter of 2009, substantial improvement has been achieved and we remain reasonably confident that a full recovery will be achieved. HighMark Capital Management, our financial adviser, is doing a good job considering these challenging times.

In closing, I would like to personally thank the Foundation Board of Directors and those who have provided advice, counsel, professional guidance, financial support and personal time to the Board during the past year. As I look to the conclusion of my tenure as the Chairman of the Foundation Board, I would like to offer my personal thanks to all of those who have supported the Foundation during the last several years. It is not often that I have had the unique opportunity to work with such a dedicated group for such a worthy cause. I look forward to the upcoming year and my continued service on the Board, where we will work as a team towards the goal of enhancing student success at Golden West College.

Robert Polentz, Chairman  
Golden West College Foundation

## Message from Golden West College President, Wes Bryan

At last year's graduation ceremony I was talking with a recent scholarship recipient. Holding his diploma tightly in his hands and with tears in his eyes, he explained that for him this day was a miracle. He was the first child in his family to graduate from college, something nobody would have predicted. He was transferring to a top tier four year university. Another surprise, since when he started at Golden West, his self-expectations were modest and his goals were unclear. In fact, he thought he would only be able to finish his remedial courses before having to quit college altogether. College has a way

of changing people – when they find their passions and we are able to connect students like him with resources. Financial Aid, scholarship supplements, and work study, as well as counseling, tutoring and caring instructors combined to make a difference in this young man's life. The even better news is that his story is not that unusual. It is repeated over and over again as students walk across the stage at graduation.

This annual report of the Golden West College Foundation explains the vital role our donors have in making these dreams come true. It illustrates how the combined efforts of individual donors, volunteers, business partners, and other community agencies can join together to support the college in its mission of providing affordable quality education and support services to students in need.

When the state economy takes a dip, enrollments at community colleges soar. Predictably, in a time of fiscal crisis people realize that we are at the heart of workforce development, and that an educated populace has always been the strength of our economy. Quite often, when the state can't adequately address our financial needs, the private donor steps up to the plate to help Golden West College provide students with scholarships and books, as well as classrooms with needed equipment and supplies.

Living in an affluent area, we sometimes forget how important these efforts are in making a significant difference in the lives of our students. We know that students who earn a vocational degree or certificate will see their wages jump from \$25,600 to \$47,571 in just three years. We also know they are more likely to be involved in community service, live healthier lives, and have greater job satisfaction.

I hope as you review this report you will consider involving yourself to a greater degree in the projects that our campus community sponsors. Without your support, the college could not begin to offer the scholarships and programs which provide our students with so many avenues to success.

I am proud to be associated with a Foundation Board that understands the importance of educational opportunities, donates their time, and expends their energy to help students in need.

## 4th of July Salutes the Centennial

One hundred and five years ago, the residents of Huntington Beach held a 4th of July parade even before the city was incorporated! Golden West College and the Boys and Girls Club of Huntington Valley participated in the centennial celebration with their float entry. Riders on the float were Idefonso Flores- GWC Classified Employee of the Year, Lyvyane Tran-ASGWC Homecoming Queen, David Lopez-ASGWC President, Clarisa Malhiot-ASGWC Homecoming Queen. Also riding on the float from the Boys and Girls Club of Huntington Valley are Outstanding Club members who help staff make a difference to kids at the club through their commitment to volunteerism and willingness to help. On the float once again this year, the Jon Kubus Band played great patriotic music to the delight of the enthusiastic crowd of parade goers.

Driving the G-Dub was Wes Bryan, GWC President and riding shotgun was Shirley Dettloff, Foundation President of the Boys & Girls Clubs of Huntington Valley.

*"My experience at the 4th of July event was magical. I was very honored to be given an opportunity to be a part of such a wonderful tradition that every American can share with one another, and I am especially honored because I was able to be on the float that represented my school. I had a wonderful time! Being in and at the parade I was able to sing and dance and share wonderful moments with everyone that came to the event. Seeing waving flags and our country's colors – red, white, and blue – I believe on that day, everyone was able to connect and rejoice with one another. I know we were all proud to be Americans!"*

## 12th Annual Gala

Golden West College held its 12th annual Gala on March 20, 2009 honoring Huntington Beach's 100th birthday. Themed *Dancing through the Decades*, our gala festivities included silent and live auctions, and an elegant dinner. Over 320 guests danced through the decades to live music provided by Wayne Foster Entertainment. Guests celebrated the city's centennial birthday with a cake, candles and a birthday song.

Wes Bryan, President of the College and Bob Polentz, Foundation Chair, congratulate Patricia A. Meredith, chair of the Gala Committee, and Tami Bui, co-chair of the Gala Committee on a successful event.

To the strains of Happy Birthday, Bob Polentz, Chair of the Golden West College Foundation, and Wes Bryan, College President blow out the candles on the City of Huntington Beach's Centennial birthday cake.

### Opportunity Drawing

Thanks to the generosity of **Elmore Toyota** for the fifth year in a row, the Gala had a high ticket opportunity drawing—a 2009 Prius Hybrid. 500 tickets were available for the Prius drawing at \$100 each.

Albert Gasparian, Dean of Athletics and Physical Education at Golden West College, and his wife, Patti, were the lucky winners. "It was a thrill of a lifetime and I really appreciate Judy Elmore and Elmore Toyota for supporting GWC students!" Gasparian commented.

Posing by the Prius, Judy Elmore, President of Elmore Toyota, and David McHowell, General Manager of Elmore Toyota congratulate Albert and Patti Gasparian on winning the 2009 Prius.

## Perfectly Conditioned

### Gala proceeds are put to good use

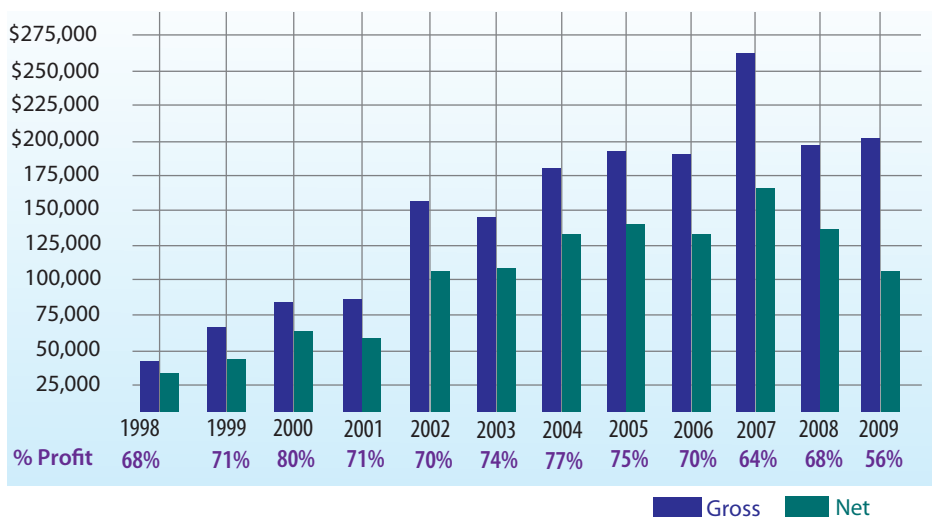

The GWC Automotive Technology program prepares students for rewarding careers in maintaining, diagnosing and repairing of modern vehicles and light-duty trucks. State-of-the-art electronic test equipment and specialized hand tools are an integral part of this successful program. Everything was humming along nicely, until their Dual Laser Infrared Air Conditioning Temperature Tool went down — then things got hot!

But Carleen Leatherman, auto technology faculty member, knew just what to do – put a Wish in to the Foundation for a new one! Their wish was granted and now everything is cool and the program is cruising along.

The computer-controlled systems in the modern automobiles rely on technicians with a high level of proficiency in the use of electronic test equipment and specialized hand tools. Golden West College is certified by the National Institute for Automotive Service Excellence (ASE) thought evaluation by the National Automotive Technicians Education Foundation (NATEF). As a NATEF-certified training center, the Automotive Technology program is fully qualified and prepared in training competent technicians for today's demanding automotive service industry.

## The Golden West College Patrons

Organized in April 1973, the Golden West College Patrons membership is composed of alumni, community members and Golden West College staff and faculty. The Patrons is a volunteer organization which raises monies for student scholarships through their Chefs for Scholarships event held each fall. The members also volunteer hundreds of hours each year in support of other events such as Commencement Ceremony, Scholarships and Awards Ceremony, and Gala.

### Chefs For Scholarships

The Patrons held their 4th annual Chefs for Scholarships event on September 20, 2009 in the Student Center and Patio. Approximately 300 people attended this family-oriented event featuring musical entertainment, a bounce house for the kids, clowns, and the HB Fire Department. Guests sampled delicious food and beverages from local restaurants, wineries and breweries. The Patrons allocate \$7,200 from the proceeds each year to support their 16 annual student scholarships. They have been funding scholarships on campus since 1973 and have donated over \$100,000 to help students achieve their academic goals.

Patrons President, Jo Andrews, presented the inaugural “Golden Chef Scholarship Award” to Ryan Chung, an alumnus of Golden West College and campus volunteer.

Ryan is starting his Masters Program at the University of California, Irvine, with a goal of attending medical school.

## Hens & Chickens Quilt Auxiliary

*"Those who sleep under a quilt,  
sleep under a blanket of love"*

~Unknown

The Hens & Chickens Quilt Fellowship of Golden West College, an auxiliary of the Foundation, began in 1989 when a group of quilters did not want to disband after having taken a quilting class at Golden West College. Their name, Hens & Chickens, was taken from the name of a quilt block. Originally a group of 5, they have been 25 members strong and range in age from 7 years old to 75.

Each year, they make an opportunity quilt and donate the funds to GWC scholarships as well as contributions to the campus for such projects as theater renovations, ballet bars for the dance department, new library books, a Fine Arts Gallery security system, Science Museum supplies and recently a brick entryway for the GWC California Native Plant Garden.

This year's quilt was the "Secret Quilt Code" and the Underground Railroad Quilt. According to the early 1900's oral testimony of an elderly black quilt vendor from South Carolina, the late Ozella McDaniel Williams, a "secret quilt code" was in place during the era of the Underground Railroad. This code guided slaves by providing specific directives hidden in quilt block patterns. Each quilt block was meant to be a memory device and conveyed a certain course of action. The 2009 opportunity quilt is made of 1860's reproduction fabric and contains the blocks mentioned in the secret quilt code.

## Alumni Association

# Golden West College Foundation Gift Giving Opportunities

There are a variety of options to consider when making a gift:

## Gift Annuities

A Charitable Gift Annuity is an extraordinary way to make an irrevocable deferred donation, increase your income, and slice your tax bill — all in one transaction. Our Charitable Gift Annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives.

*If interested in this type of gift opportunity, please call Margie Bunten, GWC Director, Foundation and Community Relations, at 714/895-8315 or e-mail her at [mbunten@gwc.cccd.edu](mailto:mbunten@gwc.cccd.edu).*

*“Education is the soul of civilization, freeing us from intellectual and emotional limitation.”*

*~Glenda Blackburn, 2007*

*Former Executive Director, GWC Foundation*

## Annual Fund

Cash contributions to the Foundation's annual fund are a critical source of private support for the college. Annual fund donations finance the scholarship program and other endeavors that strengthen the college.

## Memorial Gifts

Gifts in memory of loved ones and deceased friends — or gifts which honor living individuals — are gratefully accepted by the Foundation.

Such contributions are often used to reflect the interests or talents of the person being honored. The Foundation is pleased to help potential donors explore appropriate uses for the memorial gifts.

## Life Insurance Policies

The Golden West College Foundation may be named a beneficiary. Donation of a life insurance policy to the Foundation entitles the donor to a tax deduction for the cash surrender value.

## Gifts-In-Kind (Non-Cash Donations)

Donations of personal property, including vehicles, equipment and supplies, are gratefully accepted by the Golden West College Foundation. Please inquire with the Foundation Office about specific items being considered as gifts to the college.

## Bequests

A bequest designates a gift to the college in the donor's will. Many alumni and friends have made a provision in their wills for the Golden West College Foundation as a beneficiary.

*"I researched many colleges on my quest to donate to a Nursing Scholarship. I chose the Golden West College Foundation because they were the only institution that did not charge a management fee."*

— Tom Swanson

Golden West College Foundation is a 501(c)(3).  
Contributions to the Foundation are tax deductible.

## Returning Combat Veterans Scholarship Receives \$4500 Donation

On Veteran's Day, Dr. Lois Miller, Vice President of Instruction presented a \$4,500 donation to Ron Lowenberg, Dean of GWC Criminal Justice, for the Returning Combat Veterans Scholarship Program.

"My husband Mike and I wanted to help. Knowing the sacrifices our veterans make, and to honor the many veterans in both of our families, we wanted to donate enough money to completely sponsor a returning combat veteran in the next GWC Criminal Justice Basic Academy course."

If a combat veteran chooses to pursue a career in law enforcement, he or she can apply for a completely funded scholarship, once they return to civilian status. This scholarship provides financial support for equipment, uniforms and academy related costs. The cost to attend the GWC Police Academy is \$4,368.

This scholarship program was established in 2007 and has received donations from the Golden West College Foundation, SureFire Corporation, Newport Beach Exchange Club, the City of Huntington Beach, TRC Range Services, American Legion Huntington Beach Post 133, Huntington Beach Kiwanis, the Orange County Sheriff's Association, and Leaders from the City of Huntington Beach.

## Courtyard of Honor

The 18th annual Courtyard of Honor Ceremony was held on October 28, 2009. Congratulations to four former GWC students who received the Alumni Pillar of Achievement recognition and five individuals who received a Pillar of Support. The Pillars of Support are those donors who have given over \$25,000 to the college.

## Pillars of Support

The first Pillars of Support were inducted at the inaugural Courtyard of Honor Ceremony in 1995. Since that time, GWC has honored 51 Pillars of Support with six of them inducted this past October. A Pillar represents \$25,000 or more in cash donations by either individuals or businesses. These gifts represent over \$1 million.

# Scholarships and Awards

Since 1986, the Golden West College Foundation has processed over \$3,354,500 for student scholarships. Each scholarship application involves a process of review by a scholarship committee who selects the recipients based upon individual scholarship criteria.

At the Scholarships and Awards Ceremony held in May, over 200 scholarships were awarded to GWC students. The Scholarships & Awards Ceremony recognizes both the scholarship recipients and the donors who support them. The ceremony is held annually in the beautiful GWC Amphitheater.

Lorena Ortega was this year's recipient of the R.Dudley Boyce Outstanding Student Award, presented by GWC Student Activities Director Valerie Venegas.

*I would like to take this opportunity to thank the Foundation Board of Directors for their time and resources and our donors and community members for their generous support. Golden West College has a profound impact on the lives of our students, and the Foundation strives to support the vital resources that empower our students to realize their potential as individuals and as professionals in our community.*

*Thank you all for making student success a priority with your continuing support. I am privileged to work with such an enthusiastic, professional board and to represent Golden West College in the community.*

*Marge Burton*

Director, Foundation and  
Community Relations

**The Golden West College Foundation  
does not charge a management or  
administrative fee for scholarships.  
The entire scholarship donation is  
given to the student.**
