Come say “Hi” to Foundation staff Laurie Camody, Margie Bunten and Susanne Orsini.

The Foundation Office is located in the Administration Building on the east side of the President’s Courtyard.

The Golden West College Foundation

The Golden West College Foundation was organized in 1985 to solicit and manage gifts to benefit the college and its students. The Foundation is dedicated to supporting the College’s mission of providing comprehensive academic opportunities to the community for lifelong learning.

A board of directors, who provides the leadership and direction for the organization’s operation, manages the Foundation. The Foundation has grown steadily since 1985 with assets over \$4,600,000. This has been accomplished through donations of cash, bequests and grants from individuals and businesses. The Foundation has provided over \$4,000,000 in scholarships to Golden West College students. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in non-monetary gifts.

The primary focus of the Foundation Board of Directors is to work towards building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, the Foundation provides staff support and direction to two auxiliaries. Each auxiliary is managed by its own board and officers, requiring membership dues for operational expenses.

Report from the Foundation Chair

Judy Elmore

In May, the Golden West College Foundation awarded scholarships to over 200 students at the annual Scholarships and Awards Ceremony. Since 1986, the Foundation has awarded over \$4,000,000 to deserving students. This has been extremely gratifying to the Foundation as the awarding of scholarships is a direct contributor to our primary goal of student success at Golden West College.

On Saturday, March 13, 2010, the Foundation held its 13th annual Golden West College Gala. We are extremely pleased to have raised \$86,000. This performance speaks volumes to the dedication and commitment of our Board Members and supporters. The proceeds have benefited Golden West College students and college programs. We particularly want to thank Elmore Toyota, Irvine Health Foundation, and Union Bank of California as major sponsors, as well as all of the underwriters who gave so generously to this event. I would like to extend my sincere thanks to the Gala Committee and the community at large for continuing to support this very important event. We look forward to continued success at our 14th Gala scheduled for March 19, 2011.

In June, the Foundation initiated a new fund raising activity with the inaugural Texas Hold 'Em Tournament. Congratulations to event chair Steve Olmsted for leading the Foundation to another successful event!

Our 19th annual Courtyard of Honor Ceremony was celebrated last October. Three Golden West College Alumni were honored as "Alumni Pillar of Achievement" recipients. Since the inception of this awards program in 1991, 86 alumni have been honored. We had three Pillars of Support (+\$25,000), including The Irvine Health Foundation Pillar, The Mike and Lois Miller Pillar, and The Southern California Edison Pillar. The donor wall was increased by 54 donor names, with eight in the Golden Society (\$10,000+) category.

As we look to 2011, we want to express our collective gratitude for the continued participation and leadership of the Foundation Board members whose commitment and participation is critical to the overall success of the Foundation's mission. We also extend our sincere appreciation to the community at large, which continues to support the Foundation and the college with its generosity and esprit de corps. Without this dedication, our work would not be possible. The Foundation's objectives for 2011 include increasing the Board's role in fostering student success, expanding Board membership, and continuing a high level of participation from our members. We are also looking towards successful Texas Hold 'Em and Gala fundraising events, while continuing to seek fresh ideas for new fund raising opportunities.

This year continued to be a challenge from an investment perspective, but our asset allocation methodology has rewarded us with improvements in our overall financial position from 2009.

In closing, I would like to personally thank the Foundation Board of Directors and those who have provided advice, counsel, professional guidance, financial support and personal time to the Board during this past year. It is not often that I have had the unique opportunity to work with such a dedicated group for such a worthy cause. I look forward to the upcoming year as we focus on our goal of enhancing student success at Golden West College.

Message from Golden West College President, Wes Bryan

Closing out a decade and starting another provides us a chance to reflect a bit more deeply than merely turning the page on another year. When I reflect on the generosity of so many donors over these past 10 years, I am filled with gratitude for what you have done for our students – directly and indirectly. During the last ten years our college received some of the largest donations in our history. So, of course, we gave away more scholarships than we have ever given. Your giving helped students purchase textbooks, lab equipment and technology. Your donations helped our college fund the restoration of some summer classes when the state was cutting back. Your efforts helped some students transfer on time instead of waiting another year. You helped us put a diploma in their hands this year, on time. How I wish you could have shared with me the smiles and hugs your gifts made possible.

As the headlines recap these past ten years, we are reminded of the many difficult challenges our young people face. College is no longer a given; too many well-qualified students are being crowded out. Those that do make it must balance difficult course work with the strain of multiple jobs, the weight of family troubles, transportation hassles and a future that can seem quite bleak. The other day while reviewing a routine state report, a shocking statistic jumped off the page at me – last year more than 7,747 GWC students were awarded state or federal aid because they needed financial assistance. Community Colleges have always been an important doorway out of poverty into employment and rehabilitation; however, this statistic underscores the level of our students' needs, even in this affluent community.

When I look through this annual report I am reminded once more that we are able to help these students succeed because of your generosity and concern for their welfare. I want to thank you for being an important partner in creating a more hopeful future. May this decade be one in which, together, we make the world a better place than we found it. Happy new decade.

2010 4th of July Parade

Golden West College and the Boys & Girls Clubs of Huntington Valley were partners again in the Huntington Beach 4th of July Parade. Riding in a horse drawn wagon from Golden West College were: Susan Wall, Classified Employee of the Year; David Salai, Associated Students President; Morgan Mymon, Homecoming Queen; Sumair Devani, Homecoming King; and Greg Wight, Design Instructor & Faculty Member of the Year. They were joined by outstanding club members from The Boys and Girls Clubs of Huntington Valley, who help staff make a difference to kids at the Club through their commitment to volunteerism and willingness to help.

Following the wagon in the college's 1971 outreach vehicle, the "G-DUB", were Wes Bryan, GWC President, and Shirley Dettloff, Board President, Boys and Girls Clubs of Huntington Valley. Following the G-DUB was "E/Motion," a battery, solar-powered pedal vehicle designed and built by students in the GWC Design Program. Driving E/Motion was Steven Sewell, GWC Design student and past GWC Associated Student President. Steven transferred to California State University, Fullerton in fall 2010.

The Boys and Girls Club of Huntington Valley and Golden West College are celebrating their partnership as the first to build a Boys & Girls Club on a college campus! The first phase of this exciting new facility will be completed by the end of this year.

"I was surprised by the number of people at the parade and the great response to us along the parade route with shout-outs like, "GO RUSTLERS, and YEAH GOLDEN WEST!! It was a great experience."

Opportunity Drawing

Thanks to the generosity of **Elmore Toyota** for the 6th year in a row, the Gala had a high ticket opportunity drawing—a 2010 Prius Hybrid. 750 tickets were available for the Prius drawing at \$100 each.

Mr. Larry Belinn was the winner of the 2010 Toyota Prius IV with Solar Roof. Larry is a retired Golden West College accounting professor and was thrilled to get the phone call from David McHowell, General Manager of Elmore Toyota. He was amazed that he won, saying, “This doesn’t happen to me, the only thing I have ever won in my life is a box of See’s Candies!”

STAR Book Reserve Program Supports Student Success

For the sixth consecutive year, the Golden West College Foundation has allocated funds to the GWC Library for the purchase of textbooks under the STAR (Student Textbook Access Reserve Collection) Book Program. This program, which began in the 2004-2005 school year, gives students access to over 228 titles covering 45 academic departments.

Last year’s students checked out books from the STAR collection over 3,325 times. The top books are the very expensive math and science textbooks. Calculus was used 657 times and Chemistry has been used 629 times.

The STAR program has become a great success among students who wish to get a “jump start” on their studies and also to those students who can’t afford purchasing a full complement of textbooks.

The Golden West College Patrons

Organized in April 1973, the Golden West College Patrons is comprised of alumni, community members and Golden West College staff and faculty. A volunteer organization that raises funds for scholarships through their Chefs for Scholarships event each fall, the members also volunteer hundreds of hours each year in support of other events such as Commencement, Scholarships and Awards, and Gala.

Chefs For Scholarships

The Patrons held their 5th annual Chefs for Scholarships fundraising event on Sunday, September 19, 2010. Held on campus at the GWC Student Center, donations for the event were up 36% from last year and attendance was over 500. The big winners were GWC students, as the event funds four major scholarships and an additional 12 scholarships to incoming high school students.

For the second year, the Golden Chefs Award was given to a GWC alumnus. This award was established to honor a former Golden West College student who is continuing their studies at a 4-year college or university and has engaged in philanthropic efforts in support of students at Golden West College. Heather Walters, this year's recipient, was given a \$500 check. After graduating from Golden West, Heather went on to earn her Bachelor of Science degree from the University of Southern California and is currently in her final year at Southwestern Law School.

The Golden Chef Award was presented to Heather Walters by June Dugmore, Patrons President and last year's recipient Ryan Chung.

Event Co-chairs Anne Gillespie (L) and Eugenia Haney (R) and Patrons President June Dugmore were instrumental to the success of this year's event.

All of the auction items and grab bags were sold.

A record number of guests attended the event.

32 restaurants, wineries and breweries participated

Hens & Chickens Quilt Auxiliary

The Hens & Chickens Quilt Fellowship of Golden West College, an auxiliary of the Foundation, began in 1989 when a group of quilters did not want to disband after having taken a quilting class at Golden West College. Their name, Hens & Chickens, was taken from the name of a quilt block. Originally a group of 5, they have been 25 members strong and range in age from 11 years to 80.

Each year, they make an opportunity quilt and donate the funds to GWC scholarships as well as contributions to the campus for such projects as theater renovations, ballet bars for the dance department, new library books, a Fine Arts Gallery security system, Science Museum supplies and recently a brick entryway for the GWC California Native Plant Garden.

This year's quilt was called "The Paisley Star Quilt". It is a large quilt measuring 97" square. There is one block in the quilt that is not like the others. When this happens, quilters call it the "humility block" with the idea that only God can make something perfect. See if you can tell which block is different.

***"Those who sleep under a quilt,
sleep under a blanket of love"***

GWC Welcomes Veterans

Golden West College prepares for an estimated growth in its student veteran population and opens a Veterans Resource Center (VRC) to welcome students to a veteran-friendly campus.

For a returning veteran, the academic world poses considerable challenges, as most individuals returning from military service have not attended traditional academic programs for several years. In some instances, veterans who have served in the military have a hard time with the transition from the “iron-clad” military lifestyle to that of a higher education academic culture. A significant number of veterans can be described as “nontraditional learners” and some return with a traumatic brain injury (TBI), post-traumatic stress disorder (PTSD), or other disabilities that pose substantial barriers to academic success.

Another roadblock is the age/experience disparity between veterans and students coming to college right out of high school. Veterans who enter the college setting tend to be older and have a life experience that is much different than their non-military counterparts. The veteran also may have external demands that must be met — a spouse, children, a job.

To meet the needs of these deserving students, Golden West College established a Veterans Resource Center to provide an on-campus point of contact for their veteran-related questions and needs as they navigate the college system. The overall goal is to deliver services to optimize academic success, which involves collaboration with all GWC student support services and other organizations including, U.S. Vets, O.C. Vets and the Veterans Administration. The Center operates without a budget. All of the furniture and equipment have been donated.

Most importantly, the VRC provides students with a place to socialize with fellow veterans and is a meeting place for the newly established GWC Student Veteran Organization. **There is no better way for veterans to adjust to campus life than with students who share their experiences.** Veterans are accustomed to working as a team and students who make a connection with other students are more likely to achieve their educational goals. Students were asked what the VRC meant to them and they gave similar responses, “I no longer feel alone or isolated,” “it gives me a sense of belonging,” “it is a place to meet other students who I can relate to.”

With an estimated 2.2 million veterans residing in California, the state leads the nation in the number of veterans. That number is expected to increase dramatically as more military personnel serving in Iraq and Afghanistan complete their service. In 2009, more than 26,600 veterans utilized education benefits at a California community college.

Golden West College was selected by G.I. Jobs magazine as a Military-Friendly School for 2011. This honor places the college in the top 15% of all schools nationwide.

Golden West College Foundation Gift Giving Opportunities

There are a variety of options to consider when making a gift:

Gift Annuities

A Charitable Gift Annuity is an extraordinary way to make an irrevocable deferred donation, increase your income, and slice your tax bill — all in one transaction. Our Charitable Gift Annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives.

If interested in this type of gift opportunity, please call Margie Bunten, GWC Director, Foundation and Community Relations, at 714/895-8315 or e-mail her at mbunten@gwc.cccd.edu.

“Education is the soul of civilization, freeing us from intellectual and emotional limitation.”

~ Glenda Blackburn, 2007

Former Executive Director, GWC Foundation

Annual Fund

Cash contributions to the Foundation's annual fund are a critical source of private support for the college. Annual fund donations finance the scholarship program and other endeavors that strengthen the college.

Memorial Gifts

Gifts in memory of loved ones and friends — or gifts which honor living individuals — are gratefully accepted by the Foundation.

Such contributions are often used to reflect the interests or talents of the person being honored. The Foundation is pleased to help potential donors explore appropriate uses for the memorial gifts.

Life Insurance Policies

The Golden West College Foundation may be named a beneficiary. Donation of a life insurance policy to the Foundation entitles the donor to a tax deduction for the cash surrender value.

Gifts-In-Kind (Non-Cash Donations)

Donations of personal property, including vehicles, equipment and supplies, are gratefully accepted by the Golden West College Foundation. Please inquire with the Foundation Office about specific items being considered as gifts to the college.

Bequests

A bequest designates a gift to the college in the donor's will. Many alumni and friends have made a provision in their wills for the Golden West College Foundation as a beneficiary.

"I researched many colleges on my quest to donate to a Nursing Scholarship. I chose the Golden West College Foundation because they were the only institution that did not charge a management fee."

Scholarships and Awards

Since 1986, the Golden West College Foundation has processed over \$4,000,000 for student scholarships. Each scholarship application involves a process of review by a scholarship committee who selects the recipients based upon individual scholarship criteria.

At the Scholarships and Awards Ceremony held in May, over 200 scholarships were awarded to GWC students. The Scholarships & Awards Ceremony recognizes both the scholarship recipients and the donors who support them. The ceremony is held annually in the beautiful GWC Amphitheater.

I would like to take this opportunity to thank the Foundation Board of Directors for their time and resources and our donors and community

members for their generous support. Golden West College has a profound impact on the lives of our students, and the Foundation strives to support the vital resources that empower our students to realize their potential as individuals and as professionals in our community.

Thank you all for making student success a priority with your continuing support. I am privileged to work with such an enthusiastic, professional board and to represent Golden West College in the community.

Director, Foundation and
Community Relations

The Golden West College Foundation does not charge a management or administrative fee for scholarships. The entire scholarship donation is given to the student.
