## The Golden West College Foundation

The Golden West College Foundation was organized in 1985 to solicit and manage gifts to benefit the college and its students. The Foundation is dedicated to supporting the College's mission of providing comprehensive academic opportunities to the community for lifelong learning.

A board of directors, which provides the leadership and direction for the organization's operation, manages the Foundation. The Foundation has grown steadily since 1985 with assets over \$6,100,000. This has been accomplished through donations of cash, bequests and grants from individuals and businesses. The Foundation has provided over \$4,700,000 in scholarships to Golden West College students. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in non-monetary gifts.

The primary focus of the Foundation Board of Directors is to work towards building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, the Foundation provides staff support and direction to two auxiliaries. Each auxiliary is managed by its own board and officers, requiring membership dues for operational expenses.

# Report from the Foundation Chair

## Judy Elmore

The past year has brought the Golden West College motto, “Let Change Be the Tradition,” to light in amazing and remarkable ways. The Foundation Board of Directors have forged new community partnerships that have brought unique and abundant opportunities to the students we serve, resulting in the Foundation awarding over 200 scholarships in 2012. Since 1986, more than \$6.3 million in scholarship dollars have been received by deserving students. This is extremely gratifying to the Foundation as the awarding of scholarships is a direct contributor to our primary goal - student success.

On Saturday, March 24, 2012, the Foundation held its 15th annual Golden West College Gala. We are extremely pleased to have raised over \$87,000. This performance speaks volumes to the dedication and commitment of our Board Members and supporters. The proceeds have benefited Golden West College students and college programs. We particularly want to thank Elmore Toyota, Union Bank of California, Hoag Memorial Hospital Presbyterian and Toyota Motor Sales, U.S.A., Inc. as major sponsors, as well as all of the underwriters who gave so generously to this event. I would like to extend my sincere thanks to the Gala Committee and the community at large for continuing to support this very important event. We look forward to continued success at our 16th Gala scheduled for March 23, 2013.

Our 21th annual Courtyard of Honor Ceremony was celebrated last October. Four Golden West College Alumni were honored as “Alumni Pillar of Achievement” recipients. Since the inception of this awards program in 1991, 93 alumni have been honored. We had two Pillars of Support (+\$25,000), including The Coast Community College District Foundation, and Wells Fargo. This year we honored seven Premier Pillars (+\$100,000). They are Elmore Toyota, Fountain Valley Regional Hospital, McBeth Foundation, Robert and Kathy Smith, Southern California Edison, Toyota Motor Sales, U.S.A., Inc., and Union Bank. The donor wall was increased by 40 donor names, with three in the Golden Society (\$10,000+) category.

This year continued to be a challenge from an investment perspective, but our asset allocation methodology has rewarded us with improvements in our overall financial position from 2011.

In closing, I would like to personally thank the Foundation Board of Directors and those who have provided advice, counsel, professional guidance, financial support and personal time to the Board during this past year. It is not often that I have had the unique opportunity to work with such a dedicated group for such a worthy cause. I also extend my sincere appreciation to the community at large, which has continued to support the Foundation and the college with its generosity. Without this dedication, our work would not be possible. The Foundation’s objectives for 2013 include increasing the Board’s role in fostering student success, expanding Board membership, and continuing a high level of participation from our members. We are also looking towards to a successful Gala fundraising event, while continuing to seek fresh ideas for new fund raising opportunities.

I look forward to the upcoming year as we focus on our goal of enhancing student success at Golden West College.

## Message from Golden West College President, Wes Bryan

The other day while shopping in a local store, I had a short conversation with a young man and his wife. I first met him at Golden West College. He is a returning Veteran, getting ready to transfer, taking the next big step to make his life and that of his wife and child a better one after his years of service to our country. That short conversation helped me reflect on the good we do for so many student Veterans. I think, because of the proximity of my office to the Veterans Support Center, I have had many opportunities to observe him and other Veterans, as they transition back to civilian life. You can imagine that this transition is not an easy one – they have had a big chunk of their early adult life interrupted. A quick plane ride home and suddenly they were thrust back into the life they were leading before the service, yet all of it changed while they were gone. Picking these pieces up is often like putting humpty dumpty back together again. Fortunately, we are here to help because of the resources provided by the Foundation and those who support it.

We can all agree that one of the best choices a person can make is to get the kind of education that enhances a career by enabling a student to transfer to a university or complete a certificate for their career.

That challenge becomes increasingly difficult in these times of economic uncertainty. I talk with students week after week who are on the cusp of staying in college or dropping out. Their breaking point is seldom lack of willingness, desire or motivation; it is the increasing cost for text books or supplies. The state has waived their fees due to a demonstrated need, they have met with the counselor and know what course they need to take, and they even have priority registration – what made the difference was the generosity of the people named in this report. That gift, large or small, combined with others helped weave a lifeline, which saved one more student one more time. Seeing that happen week after week fills me with gratitude. Students share with me similar feelings of gratitude because we have been able to assist them and they often ask me to pass their thanks on to you, our donors, who make it possible.

Year after year, donors continue to offer lifelines to Golden West College students, to help them stay in school, purchase necessary supplies, helping to make their dreams of a better future a possibility. What's even more interesting is reading through the list to see how many of these donors have themselves been benefactors of the educational opportunities others made possible for them. It doesn't seem to matter if it's a Veteran, a high school drop-out returning to school for a second chance, or an honor student who could not afford a UC school, and is in need of a text book – the Foundation is here to help because of your generosity. I am thankful for your part in this student success story.

## Southern California Edison Supports GWC Veterans

In November 2012, Southern California Edison (SCE) awarded a grant in the amount of \$25,000 to the Golden West College Veterans Scholarship Fund. Edison's commitment to investing in educational programs that make the strongest impact, especially during economically challenged times, will allow our Veteran students to continue towards their educational goals.

Jenelle Godges, SCE Region Manager, Local Public Affairs, Director on the GWC Foundation Board, and GWC Gala Co-Chair has been instrumental in seeking grants for Golden West College. With a quarter of a million dollars in grants provided

to date, SCE has shown its commitment to education and the betterment of our community. Key areas of support for these grants are:

- Green Jobs and Environmental Technology Education
- Veterans Educational Resources and Scholarships
- Fundraising Events supporting student scholarships, programs and services on campus

The Golden West College community is proud and grateful for our alliance with Southern California Edison.

## Veterans Resource Center receives community support and student veterans "Pay it Forward"

Although the GWC Veterans Resource Center operates without campus funding, it is well equipped with furniture, computer equipment and food (for the "mess hall") – all thanks to generous donations from community organizations, and individuals (listed to the right). Student veterans have also received numerous scholarships and personal financial assistance.

The GWC Student Veterans Organization (SVO) decided to *pay it forward* and send care packages to Marine and Army units in Afghanistan. They held a fundraising event on Veteran's Day, and along with private donations, managed to raise \$600 to purchase the items.

"What better person to give a care package than a veteran? We know what they need," said SVO President Matt Muggia. "You want something good that reminds you of home — to make you forget where you are for a moment."

They made sure only the best made its way into the care package. The boxes were stuffed with books, socks, movies, snacks, toiletries, and a note from a GWC student.

"It touches your heart," said Golden West President Wes Bryan as he watched his student veterans put together the care packages. "They themselves have been through so much and they're connecting back with people who they know are experiencing the same things they did. It's pretty cool, they received and now they're giving back."

# Golden West College Gala

## Gala Brings Students and Donors Together for an Evening of Giving and Thanks

The elegant Hilton Waterfront Beach Resort was the backdrop for the 15th annual Golden West College Gala, where students gave their time to bring our donors a night to remember. This year's formal dinner dance brought together a unique group of people – our students, striving to make their way in the world, and our supporters, successful members of the community providing the means to do so.

Guests danced the night away to the spectacular Wayne Foster Entertainment Group.

Steve Olmsted, Foundation President, Jenelle Godges, Gala Co-Chair, Judy Elmore, Foundation Chair, Wes Bryan, GWC President, and Davina Samuel, Gala Co-Chair.

GWC Student volunteers

The event's success was the result of a unique gathering of students, faculty, staff, administrators, donors and community members. The result - over \$85,000 in proceeds to fund the upcoming year of scholarships, programs and services for Golden West College students. All in all – a great success!

## SAVE THE DATE!

The 16th annual Gala will be March 23, 2013...Come "Have the Time of Your Life" with Bill Medley of the Righteous Brothers!

## Opportunity Drawing Winner

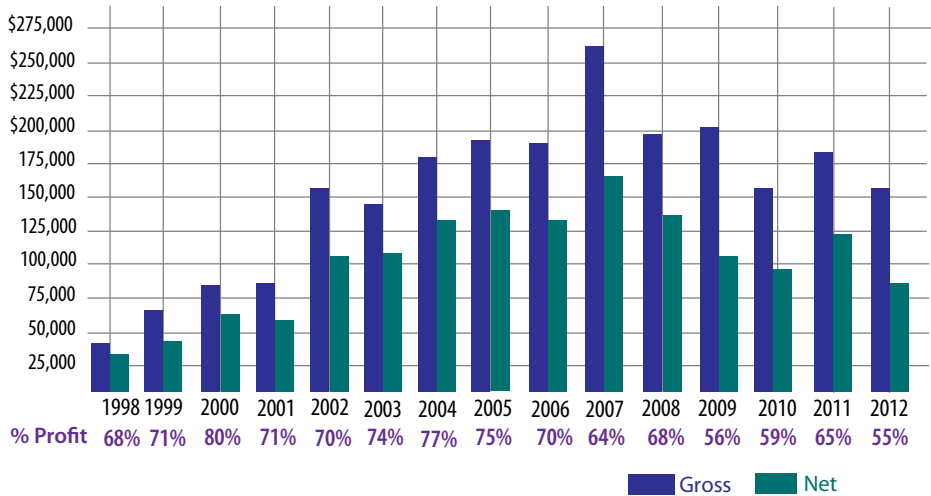

Miriam Moser, retiree from Orange Coast College, is the lucky winner of a 2012 Toyota Camry, the seventh vehicle donated by Elmore Toyota for the annual GWC Gala fundraiser.

Miriam was shocked when she received the call from Elmore Toyota's General Manager David McHowell and at first she didn't believe him, "Are you kidding!" was her only response. She has purchased a ticket every year that a vehicle has been offered for the Gala opportunity drawing and was thrilled that she won the Camry.

Miriam worked in the Admissions and Records department at Orange Coast College for 15 years and retired in 1983. She is also the mother of Sharon Jazwiecki, manager of Campus Support Services at Golden West College.

## The Golden West College Patrons

Organized in April 1973, the Golden West College Patrons is comprised of alumni, community members and Golden West College staff and faculty. A volunteer organization that raises funds for scholarships through its Chefs for Scholarships event each fall, the members also volunteer hundreds of hours each year in support of other events such as Commencement, Scholarships and Awards, and Gala.

## Chefs For Scholarships A Perfect Recipe for a Delicious Day Out

Food, fun and festivities were on the menu for over 500 guests at the Golden West College Patrons 7th Annual Chefs for Scholarships event on September 23, 2012.

This popular community event has become the unofficial end to the lazy, hazy days of summer and the beautiful Golden West College campus was the perfect setting for a relaxing and enjoyable afternoon with friends and family.

Chefs from outstanding eateries in Huntington Beach and surrounding areas served everything from barbecue and pastas to foods representing the tastes of Japan, Germany, Mexico, Hawaii, France and more! (Along with scrumptious desserts and outstanding wines and beer!)

Chefs for Scholarships is all about food and fun, but it's also about doing something really good in our community: raising funds for scholarships. This year's focus was on the educational needs of returning veterans. Young men and women who have given our country years of their lives in service often find themselves at a crossroads upon returning home. Cuts in federal and state budgets very often impact their ability to pay for their educational needs in pursuit of a new career. Chefs for Scholarships helps to fill that gap.

*Music filled the air as guests selected their favorite song on a jukebox and the Swing Kittens sang a sizzling set of three-part harmony.*

The Chefs for Scholarships fundraising event netted \$25,000. In 2012, the GWC Patrons awarded 22 scholarships, the Golden Chef Alumni Award, supported the Foster Youth program and the Veterans Resource Center, and funded a scholarship for a returning combat veteran to complete the police academy.

## Hens & Chickens Quilt Auxiliary

"Blankets wrap you in warmth,  
quilts wrap you in love."

The Hens & Chickens Quilt Fellowship of Golden West College, an auxiliary of the Foundation, began in 1989 when a group of quilters did not want to disband after having taken a quilting class at Golden West College. Their name, Hens & Chickens, was taken from the name of a quilt block. Originally a group of 5, they have been 25 members strong and range in age from 12 years to 80.

Each year, they make an opportunity quilt and donate the funds to GWC scholarships as well as contributions to the campus for such projects as theater renovations, ballet bars for the dance department, new library books, a Fine Arts Gallery security system, Science Museum supplies and recently a brick entryway for the GWC California Native Plant Garden.

This year's quilt was called "The Flower Basket Quilt". The blocks were created by Hens & Chickens members using Asian themed fabrics and measured 54" x 63".

## STAR Book Reserve Program Supports Student Success

For the eighth consecutive year, the Golden West College Foundation has allotted funds to the GWC Library for the purchase of textbooks under the STAR (Student Textbook Access Reserve Collection) Book Program. This program, which began in the 2004-2005 school year, gives students access to over 190 titles covering 29 academic departments.

Last year, students checked out books from the STAR collection over 4,924 times. The top books are the very expensive math and science textbooks. Chemistry was used 30 times and Biology has been used 30 times.

The STAR program has become a great success among students who wish to get a "jump start" on their studies, and to those students who can't afford to purchase a full complement of textbooks.

## HB Rotary + GWC = Science Showtime!

In September, Golden West College teamed up with the Rotary Club of Huntington Beach to offer an evening of hands-on science for school children in our local area. Hundreds of families enjoyed exhibits and science activities in the physical and life sciences. The event was spread out over a large area on campus, in Math/Science classrooms, the Student Center and patio, and various outdoor areas.

GWC faculty, students and community volunteers offered fun science activities, such as, making slime, building and launching rockets, riding a solar powered go-cart, riding a bike to generate electricity, collecting DNA, and identifying counterfeit money.

The business community came together to help make the event a success. Sponsors included AES, Beef Palace, Farmers & Merchants Bank, Southern California Edison, Sempra Energy utility, Sullivan Solar Power, Rainbow Disposal, and The Gas Company.

## Courtyard of Honor

The 21st annual **Courtyard of Honor Ceremony** was held in October to thank donors and recognize successful alumni. Four former GWC students received the *Alumni Pillar of Achievement*, and two *Pillars of Support* were added this year. Individuals and businesses who moved up to *Golden Society* status were also recognized.

When President Wes Bryan opened the ceremony, he stated that this is his favorite event because, **“This event is where it all comes full circle. It celebrates what individuals did with their education and thanks those who help make it possible.”**

The Foundation added an exciting new donor category in March, 2012 – the **Premier Pillar of Support**, which are those donors who have given \$100,000 or more to Golden West College.

## Gift Giving Opportunities

There are a variety of options to consider when making a gift:

### Gift Annuities

A Charitable Gift Annuity is an extraordinary way to make an irrevocable deferred donation, increase your income, and slice your tax bill — all in one transaction. Our Charitable Gift Annuity program was created as a service to our many friends who have expressed a desire to make a gift of significance, while still retaining income from the gift property during their lives.

If interested in this type of gift opportunity, please call Margie Bunten, GWC Director, Foundation and Community Relations, at 714/895-8315 or e-mail her at mbunten@gwc.cccd.edu.

*"Education is the soul of civilization, freeing us from intellectual and emotional limitation."*

— Glenda Blackburn, 2007  
Former Executive Director,  
GWC Foundation

### Memorial Gifts

Gifts in memory of loved ones and friends — or gifts which honor living individuals — are gratefully accepted by the Foundation.

Such contributions are often used to reflect the interests or talents of the person being honored. The Foundation is pleased to help potential donors explore appropriate uses for the memorial gifts.

*"We make a living by what we get, we make a life by what we give."*

— Sir Winston Churchill

## Courtyard of Honor Donor Wall, con't

### Life Insurance Policies

The Golden West College Foundation may be named a beneficiary. Donation of a life insurance policy to the Foundation entitles the donor to a tax deduction for the cash surrender value.

### Gifts-In-Kind (Non-Cash Donations)

Donations of personal property, including vehicles, equipment and supplies, are gratefully accepted by the Golden West College Foundation. Please inquire with the Foundation Office about specific items being considered as gifts to the college.

### Bequests

A bequest designates a gift to the college in the donor's will. Many alumni and friends have made a provision in their wills for the Golden West College Foundation as a beneficiary.

*Never respect men merely for their riches, but rather for their philanthropy; we do not value the sun, but for its use.*  
— Gamaliel Bailey

### Annual Fund

Cash contributions to the Foundation's annual fund are a critical source of private support for the college. Annual fund donations finance the scholarship program and other endeavors that strengthen the college.

Golden West College Foundation is a 501(c)(3).  
Contributions to the Foundation are tax deductible.

## Scholarships and Awards

Since 1986, the Golden West College Foundation has processed over \$4.7 million for student scholarships. Each scholarship application involves a process of review by a scholarship committee who selects the recipients based upon individual scholarship criteria.

At the Scholarships and Awards Ceremony held in May, over 200 scholarships were awarded to GWC students. The Scholarships and Awards Ceremony recognizes both the scholarship recipients and the donors who support them. The ceremony is held annually in the beautiful GWC Amphitheater.
