Serving GWC since 1973

January 2017

Dear Patrons,

HAPPY NEW YEAR!

I hope all of you had a safe, happy, healthy Holiday Season.

As we begin 2017, I would like to take a moment to welcome our new members, Mary Ann Lussy, Albert Paul Jazwiecki, Hannah Clark, Lorena Ortega and Lisa Putzel. We are so thrilled to have them join our great group. A big thank you to all who attended the December luncheon and for your flexibility and understanding. For those that were not in attendance, the morning started with the campus having no power. After several phone calls back and forth with the college, we were able to begin at noon, with lunch that was brought in last minute as catering had no power. There were a handful that I was not able to reach to let know of the time change, but everyone was extremely understanding. Everyone was in the Holiday spirit and we had a wonderful and great performance once again from the students in the Huntington Beach APA program. A special thanks to everyone who brought in table decorations to make the room festive.

For this month's meeting on the 20th, we will be visiting the rarely talked about Automotive Department on campus. This is a great opportunity for us to see what their program entails and how the students learn their trade. We will meet for lunch at 11:30 in Humanities 107, and proceed to Automotive following lunch. Please do your best to arrive on time to ensure we can get to Automotive in a timely manner. If you are in need of transportation from the parking lot, please let myself or Val know.

I look forward to seeing you on the 20th.

*Sincerely,
Jacki Wirta, President
