

GOLDEN WEST COLLEGE PATRONS

Serving GWC since 1973

March 2017

Dear Patrons,

It is so exciting that Spring is almost here, such a great time of the year for new growth and fresh air. In celebration of the season, for our March 17 meeting we will be visiting the Nature Garden on campus and donating a tree to be planted in celebration of the college's 50th Anniversary. We are hoping as many of us as possible will be in attendance for the day. The board is working with the college on the type of tree they would like and when they like delivery of the tree.

I am disappointed, that I was not able to attend the February tour of the Lifeguard Station. From everything I have been told the tour was great. Some of the feedback I heard was "the best day of my life" and "the best Patrons meeting ever". The rain held off allowing the attendees to tour the main station and those who chose, visit the tower. What a wonderful opportunity for those who attended. The group then all met up at Johnny Rockets for lunch.

Many thanks to Lt. Patis, RJ, our Lifeguard Tour Guide and Chris, who was stationed on the tower at the pier who shared so much information and led the group on an extensive tour.

It's that time of the year for us to begin our planning of Chef's for Scholarships. We will be having our first meeting before the end of the month, I will be getting back to you with the date. Please plan on helping us out this year in the preparation of this wonderful event that supports our Students. Anto Brenden will lead us in our planning. I am hoping as many of you as possible will come together to help make this a success. There is no talent or prior knowledge necessary.

Have a great March, I look forward to seeing all of you soon.

*Sincerely,
Jacki Wirta, President
