

GOLDEN WEST COLLEGE PATRONS

Serving GWC since 1973

October 2016

Dear Patrons,

Welcome back to a new year of Golden West College Patrons. We have a great board of officers this year, who will work hard to be sure that we have another successful year. June Dugmore is our 1st VP in charge of programs, she has worked very hard to come up with a great variety and list of programs for our luncheons this year. Val Wannall is 2nd VP in charge of Membership and has diligently, personally contacted all Patrons to get them to renew. 3rd VP Ways and Means, Linda Axel, her strong leadership in Chefs will continue on, with keeping the board on track. Secretary, Anto Brenden, will make sure our "I"s are dotted and "t"s are crossed, and we have proper documentation of our meetings. Elahine Perez is Treasurer, and is ready keep a close eye on our finances and make sure we have a proper balance. Jo Andrews will continue as Parliamentarian and brings her years of wisdom and knowledge to the board. Our GWC Representative is Valerie Venegas, who has been working hard all summer to find us rooms for meetings, get our directory printed and make sure all on campus communication is taken care of.

Chefs was a great event this year and I can't begin to express my thanks to all the Patrons that contributed to make the event a success. I have heard only positive responses from our guests. The months of hard work by the committee, paid off in the end.

On that note we have a few changes this year. First and foremost, I need to begin with an apology, we were so busy making sure that Chefs went off without a hitch, that we let this newsletter go by the wayside. We do have our first meeting soon, as we had to change it to the 2nd Friday of the month to accommodate the schedule of President Bryan. We hope you will still be able to attend. Also, due to the construction on the campus that has been ongoing, we will have to go month to month on the location of our meetings. For this month, we will be meeting in Library 250. We look forward to having a permanent home for our meetings in the future. Also, due to the rising catering costs, we unfortunately have to raise the price of our luncheons this year to \$15, we regret having to do this, but do not have an option. Finally, there have been a few issues with getting the directory finalized and printed, they are heading to the printers as we speak and we hope to have it to you prior to the meeting. We will be sure those attending will have their parking passes.

On behalf of the board, we look forward to seeing you at the meetings and hope you will be able to attend as many meetings as your schedules permit.

Thank you again for your understanding and support. I hope you will be able to attend on the 14th to listen to another wonderful presentation by the GWC President Wes Bryan. It is a banner year for the college as it celebrates 50 years of education in the community.

Respectfully Yours,
Jacki Wirta
