FUNDAY**

HUNTINGTON BEACH, CA

Dear Friend,

The last several months have challenged us all. But at Golden West College, optimism is in the air. We're hoping all students and faculty will be able to return to campus in time for spring semester. And on May 15, our **Sunday FUNDay** promises a fun, relaxing, poolside brunch at the beautiful Waterfront Beach Resort. I am excited to invite you to join us by sponsoring our largest annual event. Your support will help ensure its success and go a long way toward aiding our student mission.

Golden West College students of all ages are actively working to better themselves, their families, and their communities. A significant percentage of them are the first in their family to seek higher education, often overcoming tremendous obstacles to pursue their goals. But last year, our students faced the unimaginable. Many live in the communities hardest hit by the pandemic and lost the jobs that supported their families. And some lost much more.

But thanks to community support from leaders like you, our foundation provided \$50,000 in emergency grants to address some of their immediate needs. We also created 120 new \$250 scholarships for high school seniors graduating from Huntington Beach and Garden Grove school districts.

Thank you for understanding that a bright future begins in your own community. Proceeds from **Sunday FUNDay** will continue supporting student scholarships and special programs, including our School of Nursing, Criminal Justice Training Center and Returning Veterans Resource Center.

We look forward to you joining us on our mission to support Golden West College and the community, by advancing education and opportunity to all students.

If you have any questions about our event, please contact the Foundation office at (714) 895-8316.

Sincerely,

Bernie Olmsted
